EXT. VILLA - DAY

An ivy-covered, stone villa surrounded by trees. A FIORISTA flower delivery van is parked near the front entrance.

INT. VILLA - KITCHEN - DAY

Old world charm. Marble counters. A chef's stove.

Full trays of hors d'oeuvres and champagne cover the counters. A staff of servers wear black slacks and crisp, white collared shirts. Among them --

OLIVIA VAUGHN (32) picks up a tray of hors d'oeuvres. Long dark hair pulled back. Earbud in one ear.

VOICE (O.S.)
(male, from her earbud)
...and then he looked at me like *I* was supposed to pay. Girl, if I had wanted to pay, I would have gone to Olive Garden. By myself.

OLIVIA
Going out.

VOICE (O.S.)
Copy.

It's been a minute since she's worn high heels. Olivia wobbles with the tray out onto the --

TERRACE -- a sprawling lawn and patio overlooking a cascade of villas, trees, beach -- and a vast, blue ocean.

TITLE: POSITANO, AMALFI COAST, ITALY

Olivia scans the terrace -- rows of chairs and a flower-draped archway -- tables and an open bar. Dozens of guests nibble, sip and mill about in fancy-casual attire, and --

-- a WOMAN at the bar. Thick glasses. Alone. Watching.

VOICE (O.S.)
Target on-site?

OLIVIA
Stand by.

Olivia makes a wide loop around the terrace. Glances at people. Smiles. Offers the hors d'oeuvres. Notices --

a family: mom, dad, boy, and a GIRL in a dress.

The Girl's GRANDMOTHER, salt-and-pepper hair and pantsuit, bends and hands the Girl a white lily.

FLASH -- glowing memory of Olivia's GRANDFATHER handing YOUNG OLIVIA (9) a fresh, ripe tomato from a garden vine.

Olivia stops and stares. A drop of sweat rolls past her nose.

OLIVIA
Target is on-site.

VOICE (O.S.)
Copy.

INT. VILLA - PANTRY - DAY

On the counter in front of Olivia -- a long, cardboard box with one long-stem red rose taped to the top.

ELIO (41), long brown hair, event planner energy, arrives.

ELIO
Your flowers are here.

VOICE (O.S.)
Hey Daddy. He sounds handsome.

OLIVIA
There are children here.

ELIO
There are children at vow renewal ceremonies.

OLIVIA
You have to get them off the terrace or I can't... Can you do that for me? Four minutes?

ELIO
Sì. Certo.

Elio nods and leaves. Olivia lifts the box with both arms.

HALLWAY -- Olivia shimmies down the lavish hallway with the long box. Roses aren't this heavy.

VOICE (O.S.)
Your asset sounds like he has long hair. Does he? I bet he has...

OLIVIA
Lyle. Shut up and drive.

LYLE (O.S.)
Go all the way down and take a left. There's a back stairway at the end on the right.

Olivia goes left, then right. Muscles the box up the stairs.

UPSTAIRS -- Olivia emerges in the upstairs hallway.

LYLE (O.S.)
Left. Third door on the right. It has the best angle on the terrace.

Olivia turns left -- bursts into a --

BEDROOM -- tall windows. Pretty. A little girl's bedroom.

Olivia drops the box onto the canopied bed. Gets to work --

-- pulls a small desk over in front of the tall window

-- opens the long box, takes out the components of a compact sniper rifle and assembles them: stand, stock, barrel, scope

-- loads one bullet into the magazine

-- unlatches and gently opens the tall window

-- loosens and kicks the high heels off her feet

Olivia leans over the sniper rifle. Looks --

THROUGH THE SCOPE -- PAN to one group of people on the terrace -- PAN to the family -- Elio appears, speaks. The girl and boy jump up and follow him to the --

KITCHEN DOOR -- the kids run inside past Elio who extends his arm to block two servers from going out onto the terrace.

THROUGH THE SCOPE -- PAN to two men and the Grandmother.

OLIVIA
Target in sight. Taking the shot.

LYLE (O.S.)
Affirmative.

TERRACE -- the Girl slips under Elio's arm back out onto the terrace.

THROUGH THE SCOPE -- the crosshairs meet the Grandmother's head, and --

POP -- the Grandmother falls to the ground.

TERRACE -- CHAOS. Guests duck, SCREAM, run, crawl on the ground -- the two men crouch near the Grandmother.

The Girl stands frozen. Face twisted. She turns and runs.

The Woman at the bar peers up at the window to the --

BEDROOM -- Olivia closes the window -- disassembles the sniper rifle -- puts the rifle parts in the box -- drags the desk back into place.

Olivia slips her foot into one high heel, but screw it -- throws the shoes inside the long box.

HALLWAY -- Olivia, box in one arm, exits the bedroom, and --

-- the Girl in the dress peers up at her. Rubs her red, puffy eyes.

LYLE (O.S.)
Status? What's going on?

GIRL
(Italian, subtitled)
Why were you in my room?

Olivia bends and sloughs the box onto the floor. Pulls the red rose off the top of the box. Hands it to the Girl --

-- who takes it, and pricks her finger on a thorn. A drop of blood -- and the Girl begins to CRY.

Olivia presses the girl's thumb over the thorn prick -- hoists up the box and teeters off down the hallway.

ON THE BACK STAIRS -- Olivia thumps down the stairs.

LYLE (O.S.)
When you get to the pantry...

OLIVIA
I know my way out.

DOWNSTAIRS HALLWAY -- Olivia trudges down the hallway with the box. Ahead, she spots -- three guards at the front door.

OLIVIA
The front door is blocked.

LYLE (O.S.)
Okay, miss 'I know my way out'.

OLIVIA
Lyle.

LYLE (O.S.)
Back where you came from. Opposite the back stairs is a side entrance.

Olivia spins. Weaves wearily back down the hallway.

SIDE ENTRANCE -- Olivia jockeys the box out the door, down the narrow egress alongside the villa -- she halts, startled.

A GUARD points his pistol at her head. He eyes --

-- her bare feet and the long flower box sagging in her arms.

GUARD
(Italian, subtitled)
Where are your shoes?

POP -- the Guard collapses with a THUNK onto the ground. Behind him --

ELIO -- his pistol pointed straight ahead.

Olivia looks down at the Guard, then up at Elio.

OLIVIA
Thank you, Elio.

ELIO
It is I who should be thanking you. She was a monster.

Olivia pauses. She'll take his word for it.

LYLE (O.S.)
His name is Elio? Lyle and Elio. I can see it on our wedding invite. How tall is he? Is he on Insta?

VILLA - FRONT STEPS -- the guards at the front door rush inside -- Elio appears at the door -- shares a nod with Olivia. Closes the front door.

Olivia slogs to the driveway, toward the --

FIORISTA delivery van. The side door slides open.

INSIDE THE VAN -- one Agent takes the box from Olivia. Another helps her into the van -- the door slides shut.

The FIORISTA van backs out of the driveway. Drives away down the road -- passes a POLIZIA car, lights flashing, then --

winds its way down the ribbon of road along the stunning, sun-raked Positano coastline.

EXT. NAPLES INTL. AIRPORT - TARMAC - DUSK

Olivia in a jogging suit -- and flats -- climbs the metal stairs from the tarmac up into a small chartered plane.

INSIDE THE PLANE -- she drops a backpack into the seat next to her and takes her seat.

OLIVIA
So...you ended up splitting the check with him? Date guy?

LYLE (O.S.)
Hell no. I made him pay. Haven't heard from his sorry-ass since.

Olivia leans back. Blinks. Closes her eyes.

LYLE (O.S.)
He was cute, though. Here's his pic. Did you get it? Olivia?

Olivia's head turns to the side. She falls asleep.

RUNWAY -- the plane lifts off into the marbled sky.

CUT TO:

EXT. OLIVIA'S HOUSE - DAY

Suburban neighborhood. A pleasant, builder-grade house with a manicured lawn. Next door, the lawn looks a bit overgrown.

TITLE: VIENNA, VIRGINIA - TWO DAYS LATER

BATHROOM -- white porcelain and tiles. Clean. Sterile.

Olivia PLINKS her TOOTHBRUSH into the ceramic cup next to the sink. Turns to leave and notices -- a drop of toothpaste-water next to the sink. Wipes it up.

KITCHEN -- the bare kitchen of someone who doesn't cook.

Olivia in slacks and blouse grabs a yogurt-protein drink from a row of bottles in the fridge -- all lined-up, same flavor.

EXT. FRONT STEPS -- Olivia pulls her front door shut. Puts her earbud in. The ROLLING WHEELS of a TRASH BIN and --

ELLA (76), her neighbor, struggles to roll her bin from her open garage door down the driveway to the curb.

Olivia SIGHS and strides over to Ella.

OLIVIA
Trash day is tomorrow, Ella.

ELLA
Oh. It’s not today? Frank used to do all these things. I can’t keep it straight.

Olivia gently grasps the handle of the trash bin.

OLIVIA
You don’t want raccoons to get in again. Make a mess. Let me.

Ella lets go of the handle. Olivia turns the bin around. Rolls it back up the driveway into the open garage.

ELLA
Here you’re late to work and...

OLIVIA
It’s fine. I’m not late.

LYLE (O.S.)
You’re late. You’re going to miss the ceremony. Harold asked for you.

Olivia leaves Ella’s garage. Touches her shoulder.

ELLA
Thank you, dear.

Olivia smiles. Crosses to her driveway and Toyota Prius.

INSIDE THE PRIUS -- Olivia’s PHONE CHIMES. She pulls it out.

PHONE -- voicemail log -- seven unheard messages from DAD.

Olivia puts the phone face down in the passenger seat.

DRIVEWAY -- the Prius backs out and accelerates fast down the street -- speeds up an access ramp onto a freeway -- joins morning traffic toward the Washington, DC skyline.

EXT. ARLINGTON NATIONAL CEMETERY - EAST GATE - DAY

An Indian MOTORCYCLE with saddlebags RUMBLES down Richmond Highway past the East gate, driven by -- an OLD MAN with white hair, a Hawaiian shirt and an old-style helmet.

He salutes. Cruises on by the cemetery gate.

EXT. CIA HEADQUARTERS - DAY

The buildings are surrounded by trees and vast parking lots.

TITLE: CIA HEADQUARTERS - LANGLEY, VIRGINIA

ACCESS ROAD -- Olivia's Prius speeds toward the --

SECURITY CHECKPOINT -- booth, guard, lowered blockade, when --

the Old Man on the RUMBLING MOTORCYCLE cuts her off.

INSIDE THE PRIUS -- Olivia brakes, mid-sip of her yogurt drink. Jolts. Yogurt drink splashes onto her blouse.

OLIVIA
Flipping jerk-face.

The Old Man shakes the guard's hand. The blockade rises. The MOTORCYCLE ROARS away into the parking lot -- Olivia SNORTS.

PARKING LOT - PRIUS -- back hatch up. Olivia pulls a fresh blouse from an assortment of clothes and shoes in the back.

New blouse on. Jacket on. She SLAMS the hatch of the Prius.

INT. CIA HEADQUARTERS - ATRIUM SCULPTURE HALL - DAY

Sunlight. Sculptures. Folding chairs that face a modest podium are filled. Standing room only.

DIRECTOR CLINT WALKER (58) commands the podium, looking like he was borrowed from a movie about the moon landing.

CLINT
... which is why after thirty years, most of you have never heard her name. That was the job. And she is very good at her job.

Polite APPLAUSE. Anchored next to Clint is --

SOFIA GALARDO (52), stern and monochrome, holding a framed citation like it's a family portrait she's not in.

Clint continues TALKING as --

Olivia slips through the entrance at the back of the hall.

Side-glances and mild irritation as she shoehorns herself in between two agents against the marble wall near the entrance.

OLIVIA
Where are you?

LYLE (O.S.)
I’m busy. He texted back.

OLIVIA
Cafeteria guy? Did you reply?

LYLE (O.S.)
Not yet. I’m letting it breathe, like a cheap merlot.

At the podium, Clint gestures Sofia forward.

She nods. Glides forward to the podium. Pauses. Stares at either the back wall or a distant moon.

SOFIA
To those I’ve worked with, who aren’t able to be here today...

Olivia thinks Sofia is looking at her. She’s not.

SOFIA
Thank you.

She turns away -- the room realizes she's done speaking and offers polite and awkward APPLAUSE.

OLIVIA
I’d have picked a different room.

LYLE (O.S.)
In twenty years, you can use the auditorium. I’ll do the flowers.

People stand and begin to leave.

Clint marches with a cane and career-long limp down the center aisle. Sofia hovers two steps behind him.

Olivia pulls out her earbud. Wills Clint to look at her.

He catches her gaze. Adjusts course toward her.

CLINT
Agent Vaughn. Positano. Good work.

Olivia glances around to see who heard Clint’s praise.

OLIVIA
Thank you, sir. For a moment, I thought that I might be...

Clint moves away -- Sofia pauses in front of Olivia. Studies her like a file she's already read.

SOFIA
Olivia.

OLIVIA
Ma'am.

Olivia glances away for a moment at an incoming Harold. Turns back -- Sofia is gone.

HAROLD LANG (51) appears at Olivia's side wearing a suit with no tie. Clean-cut. Forty-percent irritated.

HAROLD
You're late. My office. Six minutes.

Harold bolts -- Olivia, now alone against the back wall, watches a crew of people remove the podium. Fold up chairs.

INT. CIA HEADQUARTERS - CORRIDOR - DAY

Wide hallway. Fluorescent lights. Polished tile floor.

Olivia strides forward. Turns the corner. Glimpses --

-- the Old Man from this morning. Hawaiian print shirt. Worn leather duffel over his shoulder. Motorcycle helmet hooked on two fingers.

A building escort beside him, the Old Man LAUGHS. Too loud.

Olivia scoffs at the sight. Enters Harold's office.

The Old Man turns back toward where Olivia had been standing. Eyes the empty space.

INT. HAROLD'S OFFICE - DAY

Olivia steps into the office. Stops short.

Clint is perched beside Harold's desk -- cluttered, with two chairs parked in front of it.

Olivia takes the hint. Shuts the door. Eyes the chairs but remains standing.

CLINT
I've been reading your AARs. The raw input. My eyes only.

OLIVIA
Sir?

Clint leans against Harold’s desk. Lines up stray pens.

CLINT
Positano was impressive, Vaughn. Target eliminated. No noise. No exposure. Clean and quiet.

FLASH -- Positano. The Guard drops to the ground with a THUNK -- the drop of blood on the little Girl’s finger.

OLIVIA
Thank you, sir.

Clint aligns Harold’s nameplate flush to the desk.

CLINT
You’ve accrued over four hundred hours of leave. You’ve never taken a day of it.

Olivia goes still, surprised at hearing the actual number.

CLINT
Emergency contact on your file is a colleague. Not a parent.

OLIVIA
Sir, I don’t...

CLINT
I’m not reprimanding you, agent. I’m telling you that’s an asset. The institution survives because a small number of people are willing to make clean decisions without the burden of distraction. The partner. The call. The holiday. The best agents spend a career learning to cut out the noise. Not to need anyone. You came to us that way.

Olivia straightens at the praise. Looks to the floor.

Clint hears something and perks up. Moves close to Olivia.

CLINT
Your next mission is important. I would hate to be wrong about you.

The office door swings open. Harold enters. Clint limps out. Shuts the door behind him.

Harold circles his desk. Sits. Notes the arranged pens and flush nameplate -- Olivia sits.

Harold pulls a thick folder from a stack and opens it.

HAROLD
Paulo Mendoza.

Olivia leans forward to view the contents upside down -- Harold tilts the folder toward himself.

OLIVIA
The traitor. Killed an agent. Maybe multiples. Then went dark in Argentina. Ten years. No signal.

HAROLD
Eleven years. In Chile.

Olivia leans back in the chair.

HAROLD
Last week, he surfaced in São Paulo. And people start dying again. Innocent people.

Harold turns the folder toward her. She leans in.

FOLDER -- surveillance video still. An image of a dead body.

HAROLD
The Director wants him closed. Permanently. By *you*.

She nods. All business. Inside, her ego takes a victory lap.

OLIVIA
I can be wheels-up by tomorrow morning.

Harold pulls a photo from the folder, slides it toward her.

HAROLD
We also need someone who knew Mendoza. Personally. We're pairing you with his old partner.

PHOTO -- on the right is a younger Mendoza -- on the left is a middle-aged man with field gear. Steady eyes. Credible.

Olivia recalibrates. She can manage an old, steely agent.

Before she can respond, a TOO LOUD KNOCK startles her. The office door bursts open.

NICK WARD (74) barges in. Long white hair, Hawaiian print shirt. Motorcycle helmet. A casual grin.

NICK
Harry!

Harold stands.

NICK
Harry, I went to your middle school graduation. Sit down. Came up the back way. The guard at the desk gave me shit about the...

Nick and Olivia lock eyes. She stands to face him.

NICK
Livvy?

Olivia is thrown. No one's called her that in two decades.

FLASH -- glowing memory of Young Olivia lining up fresh-picked tomatoes on a wooden step by size -- younger Nick salts a tomato wedge and hands it to Young Olivia.

OLIVIA
Pop Pop?

Harold looks from Nick to Olivia and back, watching two colliding weather fronts he didn't forecast.

HAROLD
Nick *Ward*. Olivia *Vaughn*.

OLIVIA
Vaughn is my mother's maiden name.

NICK
You changed your name. Why?

HAROLD
This is two clearances. Two background investigations. How does a blood relation not show up...

OLIVIA
I'd like to request reassignment. There are other shooters.

HAROLD
The Director asked for you by name.

NICK
There's no other *me*, though.

Nick looks at Olivia. Not the little girl he once knew.

NICK
You got tall.

Olivia glares at Nick. Calmly leaves Harold's office.

Nick flops into the chair in front of Harold. Dumps his duffel and helmet onto the other chair.

NICK
How's your father?

Harold SIGHS. Looks at the door -- Nick stands back up.

NICK
Alright.

INT. CIA HEADQUARTERS - GROUND LEVEL ATRIUM - DAY

Nick shuffles along with his shouldered duffel like he's headed to take a 2am piss. Scans empty conference rooms. Peers out a wall of windows onto an --

OUTDOOR COURTYARD -- trees. Sculptures. Metal picnic tables.

Olivia sits at a picnic table.

Nick saunters out to her. Behind him, the original stone-and-concrete building. Behind her, the modern steel-and-glass addition.

NICK
Livvy.

OLIVIA
Don't call me that. It's Agent Vaughn to you.

Nick sits at the picnic table, opposite her. Breathes. Waits.

NICK
Your grandmother passed. Little over three years ago. I'd have called, but I didn't have a number.

Olivia takes in the news. Avoids eye contact with him.

OLIVIA
I'm sorry to hear that.

He nods. Takes in the trees, grass and BIRDS around them.

NICK
There was a feeder. Right outside our kitchen window. You'd sit on the counter and wait for the cardinals. Wouldn't budge. Your grandmother said you had more patience than the two of us put together.

FLASH -- a birdfeeder, the flash of a red cardinal, Young Olivia (6) in the background peering through the window.

OLIVIA
I don't remember that.

NICK
No. You were young.

OLIVIA
How long were you and Mendoza partners?

Nick decides the answer to that question doesn't belong here. He reaches into his duffel and pulls out a granola bar.

NICK
How'd you get here?

OLIVIA
Today? Same as you. You cut me off coming into the parking lot.

NICK
Here. This *work*. This *career*.

OLIVIA
Pre-law. Georgetown. I realized I liked the field better than reading about it. I pivoted. Earned in.

NICK
Your dad never said anything about me? My work? Sounds about right.

Nick breaks some small pieces off the granola bar. Puts them on the edge of the picnic table.

OLIVIA
What happened with you and him?

NICK
Long story. Two stubborn-ass men. He got it from me, I got it from mine. That's what happens.

OLIVIA
That's not an answer.

NICK
It's the short version.

OLIVIA
He calls, I don't pick up. That's my short version.

NICK
It's not a contest, Livvy. Olivia.

A ROBIN lands on the edge of the table. Nibbles some granola. Olivia stands. The robin flies away.

OLIVIA
Mendoza. If we're doing this, we have to talk about the mission. Where is he? What's our plan?

NICK
Sure. You hungry?

INSIDE - GROUND LEVEL ATRIUM -- Olivia and Nick veer in opposite directions -- she stops and turns.

OLIVIA
The cafeteria's on...

Nick slows but keeps walking away from her.

NICK
I know where it is. I'm not eating that garbage.

OLIVIA
What do you want, then?

EXT. CIA HEADQUARTERS PARKING LOT - DAY

The checkpoint blockade rises. Olivia's Toyota Prius heads off down the access road.

INSIDE THE PRIUS -- Olivia drives. Nick sits in the passenger seat. No seatbelt. Looks around.

NICK
This thing on?

OLIVIA
The car? It's on.

NICK
Huh.

Nick taps the dashboard like you tap something that's broken.

NICK
Car should make a sound. So you know it's...trying.

Nick scans the arm rest next to him. Presses a button -- his window starts to roll down.

Olivia catches it -- taps the child lock button -- Nick's window stops three inches down. He grins.

Olivia taps her earbud.

LYLE (O.S.)
...so I said, 'That's not a salad bar. That's a sneeze guard over a bowl of croutons'.

OLIVIA
(to Lyle)
And what did he say?

NICK
What?

OLIVIA
I'm not talking to you.

NICK
Who are you talking to?

OLIVIA
My handler. Lyle.

NICK
Your handler's in your ear. Off mission. At lunch.

OLIVIA
We're talking about...work stuff.

NICK
Alright.

Nick looks out the window, his grin turned away from Olivia.

LYLE (O.S.)
Is that the grandfather? He sounds like a cowboy. Is he wearing a cowboy hat?

EXT. MEXICAN FOOD TRUCK - DAY

The hand-painted truck sits in a gravel lot at the side of the street. Small tables and some plastic chairs out front.

Olivia and Nick climb out of her Prius. Olivia has a laptop.

GABRIEL (50s) inside the truck, lights up when he sees Nick.

GABRIEL
(Spanish, subtitled)
Nicholas! You're not dead!

NICK
(Spanish, subtitled)
Not before lunch.

Gabriel leans out the service window. Shakes Nick's hand.

MARIA (50s), Gabriel's wife, approaches Nick. Takes his face in both hands and pinches his cheeks. He beams and hugs her.

NICK
Gabriel. Maria. This is my granddaughter. Olivia.

Olivia nods with a polite smile that says 'no me gusta hugs'.

Nick orders for both of them in SPANISH -- Maria LAUGHS.

Nick joins Olivia at a table. Her laptop is already open.

OLIVIA
What did you order me?

NICK
You're not vegan, are you?

MOMENTS LATER -- Maria brings plates of tacos and horchatas.

MARIA
Provecho.

NICK
Muchas gracias.

Olivia nods -- Nick splashes hot sauce on his tacos. Eats with both hands.

NICK
The pollo is good. Chicken. But the carnitas is special. Pork.

Olivia picks up a plastic fork and knife. Cuts into a taco.

NICK
What are you doing to it?

OLIVIA
Eating it.

NICK
With a knife and fork.

OLIVIA
Mendoza. Last confirmed contact networks are eleven years old. But the financial trail...

NICK
No. Is that little Juan?

Nick points to the ground behind Olivia. She doesn't look.

JUAN (10) kneels, feeds a piece of tortilla to a pigeon.

NICK
He was just a baby the last time...

OLIVIA
Mendoza's financial trail suggests three possible locations. If we triangulate the...

NICK
Gabriel had an older son, Adrian. Used to work the truck with him.

Olivia adjusts her laptop screen to eliminate the glare.

OLIVIA
Nick. You don't have to like me. But you do have to work with me. If we're wheels-up tomorrow, we...

NICK
Who said we're wheels up tomorrow?

Olivia stares at him -- Nick pulls out his phone. It's a BlackBerry. His greasy thumb taps the tiny keyboard.

OLIVIA
What is that?

NICK
It's a phone. Yours is telling four companies where you are right now. You'll get ads about Mexican food now, you watch.

LYLE (O.S.)
Are the tacos good?

Olivia reaches for the bottle of hot sauce. Shakes it over the taco she's been slicing into -- Nick remains stoic.

She takes a bite. Chews. Her eyes water. She GASPS -- he watches -- she grabs the cup of horchata. Gulps it down.

OLIVIA
Uhh. What is this? It's like a creamy cinnamon drink.

NICK
Horchata.

OLIVIA
It's delicious.

Olivia recovers. Resumes tapping on her laptop keyboard -- Nick smiles and holds out a piece of tortilla.

Juan runs over with a smile, takes it, and returns to the pigeon.

NICK
Harry...Harold says you're a good shot. The best he's got.

Olivia picks up one of the other tacos, sans hot sauce, with her fingers and takes a bite.

NICK
For a girl.

LYLE (O.S.)
Oh, no he didn't.

Olivia puts the taco down and glares at Nick -- Nick tilts his head and takes a slow, satisfied bite of taco. Chews.

NICK
There she is.

INT. TOYOTA PRIUS - DAY

Nick rides easy. Watches the world zoom by -- Olivia white-knuckles the steering wheel.

LYLE (O.S.)
Bunker. For two. In thirty minutes.

Olivia glares at the freeway ahead.

INT. CIA HEADQUARTERS - DAY

Olivia and Nick descend a dramatically-lit stairway.

OLIVIA
When I beat you, you're going to tell Harold I don't need a babysitter on the Mendoza mission.

NICK
If that's what you want. I will.

Olivia continues down the stairs. Nick follows.

NICK
Your dad walked ahead of me like that for years. Neighbors thought I was his security detail.

INT. CIA HEADQUARTERS - THE BUNKER - DAY

A cavernous, underground facility designed for training high-level, elite CIA agents. Olivia and Nick enter.

NICK
Sniper first?

Olivia bolts away from him. He SIGHS. Follows her to --

SNIPER LANE -- two lanes both 200 meters long. Mounted Remington M24 sniper rifles point at distant paper targets.

Olivia chooses the lane with a floor-mounted rifle and lies down -- Nick's rifle is mounted on a raised platform.

OLIVIA
Wouldn't want you to throw out your back.

LYLE (O.S.)
Old people, am I right?

OLIVIA
Lyle.

LYLE (O.S.)
Going dark. I love this for you.

Both Nick and Olivia load five rounds. Check scope settings.

A display lights up at the side of each of their lanes: a digital number 5. A red light turns yellow, then green.

Olivia pulls the trigger -- POP. Her number goes to 4. She works the bolt and FIRES again. Clean and fast.

Nick takes his time -- POP. He works the bolt with a little spin of the wrist, a flourish from another decade.

3-2-1-0. She finishes first, then stands and watches Nick fire his final shot -- POP. Both display numbers read 0.

Nick turns toward her lane.

NICK
The kick off this M24 is...

Olivia has already moved away toward --

THE VOLUME -- a state-of-the-art virtual training space.

Nick approaches Olivia and the VOLUME TECH, who stands in front of an elaborate touch-screen panel.

VOLUME TECH
Preferences?

OLIVIA
Threat elimination. Aggressive. Civilian decoys with deductions. Accuracy. Timing. Mid-century residence. Sniper and Volume total wins.

Olivia dismisses Nick, stomps toward the Volume entry.

The Volume Tech makes multiple taps on the panel.

The Volume configures. Moveable slabs and cubes inside the Volume adjust -- holograms and projections on all surfaces reveal a replica of a mid-century house interior.

Olivia holds a custom Glock 19M made for use in the Volume.

Above her, a red light turns yellow, then green -- BING.

Olivia enters the Volume, pistol raised. Moves through the space efficiently.

A HOSTILE appears across the living room -- POP. A hologram CHILD appears on the couch -- hold. A HOSTILE comes down the stairs -- POP -- another through the kitchen archway -- POP.

A hologram DOG appears in the hallway -- hold.

Nick watches Olivia on a MONITOR. She is steady, surgical.

She pivots down the hallway. A HOSTILE at the end -- POP. A ROOMBA on the floor -- hold. A hostile to the left -- POP.

Two HOSTILES in one of the bedrooms -- POP POP. One in the bathroom -- POP -- one in the primary bedroom -- POP.

Olivia moves back down the hallway to the living room. One HOSTILE near the front door -- POP -- one in a window -- POP.

Nick peers at the monitor. Behind Olivia, what looks like a closet door opens. A HOSTILE appears and --

OLIVIA
Clear.

BING -- the exercise freezes. The HOSTILE disappears.

Nick saw the last hostile. Saw that she didn't.

Olivia emerges from the Volume. Confident. Satisfied.

OLIVIA
Your turn. Nick.

Something passes over Nick's face. The missed hostile. The 'Nick' tossed at him like a bad tip.

Nick crosses to the rack and picks up the custom Glock 19M.

VOLUME TECH
Altering volume layout.

The Volume Tech taps the panel -- the Volume reconfigures. Same mid-century house style and size with a new layout.

Red, yellow, green -- BING. Nick enters the Volume.

Nick navigates the space like he's lived there for years. His movements are slow, but his shots are on time and target.

A HOSTILE emerges from the dining room -- POP -- and he takes it out without seeming to aim. A CAT scuttles from the hallway and -- hold -- Nick doesn't even acknowledge it.

Olivia watches him on a monitor, stoic but impressed.

In the last moments, Nick's arm swings wide and -- POP -- he takes down the HOSTILE behind him without making eye contact.

BING -- and the exercise freezes.

NICK
Clear.

BUNKER SCORING WALL -- a digital display of exercise data for the current session -- VAUGHN VS WARD.

Nick approaches Olivia, who eagerly awaits the results.

OLIVIA
That last shot. Show-off.

NICK
You leave a room, you leave the whole room.

OLIVIA
What?

The results flicker onto the wall: sniper accuracy data, volume accuracy and various timing stats all tallied, and --

VAUGHN VS WARD -- VAUGHN wins.

NICK
Good shooting.

OLIVIA
Good? That's all you have to say?

NICK
Nothing to say. Just wanted to see you shoot. To know whether you should be on the Mendoza mission.

Olivia stands stunned -- two Agents appear behind her, next in line to use the Volume.

NICK
See you later, Olivia.

Nick walks away from Olivia and out of the Bunker -- Olivia looks back to the scoring wall. Focuses on a Volume detail --

SCORING WALL -- NICK'S DATA -- KILLS: 12 HOSTILES: 12

SCORING WALL -- OLIVIA'S DATA -- KILLS: 11 HOSTILES: 12

Olivia stares at the scoring wall.

OBSERVATION WINDOW -- overlooking the Volume, looking through is -- CLINT. He turns and vanishes into the reflections.

Olivia taps her earbud.

OLIVIA
Lyle. Is Harold in his office?

INT. HAROLD'S OFFICE - DAY

Harold sits at his desk. Olivia stands across from him.

HAROLD
Agent Ward said you don't need a partner on the Mendoza mission.

OLIVIA
Good. I don't.

HAROLD
The thing is, it's either Ward and you, or Ward and somebody else. Two doors. Ward is the constant.

Olivia blinks -- Harold leans back in his chair.

HAROLD
The Director asked for you by name, Olivia. If you say no, you get a desk. Nice view. Nameplate. And in a few months, when a mission you'd be perfect for comes up, the Director will remember that he asked...and that you said no.

Harold's words land hard. Her ego takes a seat on the bench.

HAROLD
He doesn't fire people, Olivia. He stops asking for them.

Harold waits for Olivia's response, which doesn't come.

HAROLD
Go home. Pack light. You leave when he's ready.

Olivia stands resigned. Wonders what the weather is like wherever they'll be going.

HALLWAY -- Olivia stands frozen outside Harold's office. Earbud in.

OLIVIA
He probably left the building. Find out where he's staying?

LYLE (O.S.)
Sure. Let's see...where would a retired, motorcycle-riding, taco-eating, hippy cowboy stay?

EXT. DC SUBURBS - WAGON WHEEL MOTOR LODGE - NIGHT

A mid-century relic off a busy corridor of strip malls.

Olivia's Prius is parked next to Nick's Indian motorcycle.

Olivia, laptop in hand, journeys to the last room at the far end of the building. She KNOCKS -- Nick opens the door.

NICK
How'd you find me?

OLIVIA
I work for the Central Intelligence Agency.

INSIDE THE ROOM -- two beds. Stained carpet. Bad lighting.

Olivia enters -- Nick flops back onto the far bed. Beside him is a worn copy of: *Zen and the Art of Motorcycle Maintenance*.

Olivia crosses to a small desk. Sits. Puts down her laptop.

She pulls the chain on a desk lamp. The light turns on.

NICK
Leave that off.

She ignores him. Opens her laptop. The screen glows.

OLIVIA
I've run it all. Last-known financials, two eleven-year-old contact networks, cross-referenced against limited current activity.

She pivots the screen -- he doesn't look up from his book.

OLIVIA
Everything points to Belize. Coastal. English-speaking. Established expat corridor. Banking infrastructure. It's where...

NICK
He's not there.

Nick FLIPS a page in his book and continues reading.

OLIVIA
That's it? Based on...?

Nick sets the book on his chest.

NICK
Based on, I've known him for thirty years. Mendoza wants to *live* what life he has left. Really live. A man like that doesn't go where the 'banking infrastructure' is good. He goes where the food's good.

Olivia shifts in the SQUEAKY, unstable desk CHAIR.

OLIVIA
That's not data. That's...

Nick sits up in the bed.

NICK
He hates Belize. Got food poisoning in Belize City in 2009 and never forgave the entire country.

OLIVIA
So, you want to base an international CIA operation on a man's grudge about some bad fish?

NICK
It was shrimp. And yeah.

She stares at him -- he leans back and resumes reading.

OLIVIA
Where is he, then?

NICK
Mexico. Probably Zihuatanejo.

OLIVIA
Probably? You're guessing.

NICK
I'm remembering. Memories from time I spent with a colleague. A friend. You're the one guessing.

Her guess glows from the laptop on the desk next to her.

OLIVIA
The Agency doesn't deploy resources because one operator has some nice memories. Or a hunch.

NICK
I hear Belize is lovely this time of year. Go. You'll be going alone.

OLIVIA
If *you* go home, there's no mission.
For either of us.

NICK
Didn't say *I* was going home.

Olivia shuts her laptop. Her guess goes dark.

She tucks it under her arm and heads for the door. Stops. Walks back to the desk and pulls the lamp chain.

Back at the door --

OLIVIA
Oh seven hundred. On the tarmac.

NICK
I'll bring breakfast.

Olivia opens the door. Pulls it shut behind her.

Nick lowers the paperback. Looks at the closed door.

INT. GREY BMW I4 - NIGHT

Clint sits in the driver's seat. A comm device, a custom, off-network phone, is pressed to his ear.

CLINT
Zihuatanejo. Mexico. They're wheels-up in the morning. Be there before they land.

Clint taps the screen and hangs up -- the BMW pulls out of a reserved parking space in the CIA Headquarters parking lot.

EXT. JOINT BASE ANDREWS - MORNING

Nick's Indian motorcycle sits next to a black SUV and a few members of the ground crew. In the distance, a private plane lifts off into the sky.

INT. CHARTER PLANE - IN-FLIGHT - DAY

Nick and Olivia sit across the aisle from each other.

Olivia looks at her phone. Seat and tray-table up.

Nick sits reclined. Tray-table down and covered with empty corn husks. One uneaten tamale.

NICK
Sure you don't want the last one?

Olivia looks at him. Takes a bite of a granola bar.

NICK
Your loss.

Nick unfolds the corn husk of the last tamale.

LATER -- Olivia's laptop sits open on her open tray-table. She looks over various images. Hangs on one --

IMAGE -- younger Nick and Mendoza stand close, rifles in-hand. Mendoza looks at the camera, deadpan. Nick half-looks at Mendoza and is laughing.

Olivia glances across the aisle at Nick reading his book.

NICK
It's about a guy who takes a motorcycle trip with his son. Tries to figure out where he went wrong.

OLIVIA
I didn't ask.

Nick turns back to his book -- Olivia taps her earbud on. Studies the image on her laptop.

LYLE (O.S.)
So, cafeteria guy wants to go on a third date.

OLIVIA
You sound surprised. Were you giving him your take on the cafeteria reno again?

LYLE (O.S.)
They're adding a burrito bar, Liv. That's a major development.

Olivia catches Nick peering past his book at the image of him and Mendoza on her laptop. He almost speaks --

OLIVIA
Can you just please mind your own business?

Olivia closes her laptop. Stares at Nick until -- he turns away and resumes reading -- she looks out the window, assesses the likelihood of turbulence on the descent.

EXT. IXTAPA-ZIHUATANEJO AIRPORT - DAY

A small control tower and terminal lined with palm trees.

TARMAC -- an old Buick Regal drives away from the plane.

INSIDE THE BUICK -- Olivia and Nick sit in the back seat, behind the driver.

Olivia has her laptop open. Nick enjoys the breeze from his open window. Olivia's hair whips up into her face.

OLIVIA
You said Mendoza goes where the food's good. I found four places here in town that serve pozole rojo and pescado a la talla.

NICK
(taps his ear)
Your boyfriend find those for you?

Olivia ignores him. Pushes her whipping strands of hair behind her ear.

OLIVIA
Two would be better than four.

NICK
Bonus points if they're near the water. Mendoza likes a good view.

Olivia scans the map on her laptop.

OLIVIA
Done. We can start with these two in the morning.

NICK
Sounds like a plan.

Nick smiles. The warm wind feels good on his face.

FREEWAY -- the Buick Regal WHOOSHES down the freeway.

Two cars behind is a SEDAN. In the backseat is --

SOFIA GALARDO.

The Buick Regal and the sedan crest a hill. Head down a ribbon of road toward a blue water cove and distant ocean.

TITLE: ZIHUATANEJO, MEXICO

EXT. LA ROPA PALMS HOTEL - ENTRANCE - DAY

Olivia drags her roller toward the beach-side, boutique hotel. She pauses and turns -- Nick walks away from her.

OLIVIA
Where are you going?

Nick climbs with his leather duffel into a local tuk-tuk.

NICK
See a guy about a boat.

Olivia offers a blank stare.

NICK
Tim. Morgan. *Shawshank*? Never mind. Meet me at *La Gula*. Six o'clock.

OLIVIA
La Gula? What's the address?

The tuk-tuk is already moving.

NICK
You'll find it. You work for the Central Intelligence Agency.

The tuk-tuk carrying Nick rolls away down the road -- Olivia stands alone in front of the hotel with her roller.

INT. LA ROPA PALMS HOTEL - OLIVIA'S ROOM - DAY

The room is consumed with tropical patterns and colors.

Olivia stows her roller in the closet under her hanging, evenly-spaced, weather-appropriate clothes.

Her PHONE CHIMES. She picks it up off the bed and looks --

TEXT -- LYLE: 'He's in Zihua. Credit card hit 3 yrs ago. Tourist drone caught him 6 months ago. You're welcome.'

Olivia taps and swipes. Looks at -- the list of voice messages left by DAD. Taps on a recent one -- listens.

DAD (O.S.)
Hey. It's me again. I know you're busy. I just like to call. It feels like talking to you. Okay. Bye, sweetheart.

Olivia considers tapping another message. Doesn't.

INT. RESTAURANTE LA GULA - NIGHT

A small, beach-side dive with plastic tables and chairs.

Olivia and Nick sit next to a large window -- on the other side is a crocodile in the mud -- Olivia eyes it.

In front of Nick is a plate of empty oyster shells and three empty shot glasses. In front of Olivia is a full basket of tortilla chips and a glass of water.

NICK
You gonna eat something?

A waiter sets down a new plate of oysters and three more tequila shots. Nick gestures ‘eat’ to Olivia.

OLIVIA
You said you and my father were both stubborn.

Nick downs one of the new shots.

NICK
We disagreed about everything that's easy to disagree about. Politics. Same shit every family fights about. Who gets to be right.

OLIVIA
So, politics. That’s it?

Nick SIGHS and downs the second new shot.

NICK
Your grandmother had it for four years before she finally went. Alzheimer's.

Olivia leans back in her chair. Her face softens.

NICK
At the end, she didn't know me. But she'd still reach for my hand in the dark. When I was there.

Olivia eyes -- the crocodile shift in the mud out the window.

NICK
People talk about the ‘golden years’. Only gold we got was God pissing all over what should have been easy, fun, loving years. *Happy* years.

OLIVIA
I’m so sorry. I didn’t know that.

Olivia picks up a stray oyster shell from the table. Puts it onto Nick’s plate.

OLIVIA
Mendoza’s here. Lyle confirmed it.

Nick nods and downs the third shot. He looks directly at Olivia for the first time tonight.

NICK
Thing is. I don’t believe the file.

OLIVIA
What file?

NICK
Mendoza. The new kills. The old ones. The file Harold showed you. I’ve known Mendoza for years. Don’t believe it.

OLIVIA
There’s intel, Nick. Sources. A mission directive. Interpreting the intel, whether it’s right or wrong. That’s not my job. Or yours.

NICK
One more thing.

Olivia’s nostrils flare. Of course there’s one more thing.

NICK
Mendoza saved my life. Years ago. We weren't even friends. Didn't much like each other then.

FLASH -- Lisbon. Younger Mendoza tackles Younger Nick, pulls him behind a concrete wall as a bomb explodes.

NICK
Barely knew me. Did it anyway. I’ve owed him ever since.

Olivia’s face goes sour. Worse than the hot sauce.

OLIVIA
So, Zihuatanejo. The file. Your hunches. All of it. That’s not instinct. It’s you protecting him. Paying off a debt.

Olivia stands, bag in hand. Out of the corner of her eye -- a seagull walks toward the mud-covered crocodile.

NICK
Olivia...

OLIVIA
What am I supposed to do with this, Nick? I came here to do a clean job. And now you've messed it up.

The crocodile lunges at the seagull. Mud splatters all over the window -- Olivia flinches.

NICK
'The problem in front of you...'

OLIVIA
I don't have time for quotes from your little book, Nick. Oh eight hundred. We meet back here, and we start looking for Mendoza.

Olivia storms off toward the restaurant exit -- Nick looks out the window at the crocodile in the mud.

NICK
(to the crocodile)
Don't mind her. She's just hungry.

OUTSIDE THE RESTAURANT -- Olivia climbs into a taxi. Her door closes and it drives away.

Watching her from a nearby alley -- SOFIA GALARDO.

INSIDE THE TAXI -- Olivia digs into her bag. Finds a smashed granola bar. Opens it and takes a joyless bite. Taps her earbud.

OLIVIA
So, get this. Nick...
(beat)
Right, you're asleep. No, it's too early. Or watching *Drag Race*? Or on a date?
(beat)
Good. One of us should be.

The driver glances in the rearview mirror -- Olivia sees him.

OLIVIA
Talking to myself. Awesome.

EXT. DOWNTOWN ZIHUATANEJO - MORNING

Olivia strides down the sidewalk, bright and chipper. Earbud in. Shouldered bag. Nick shuffles half-awake beside her.

LYLE (O.S.)
Cafeteria guy texted 'hey'. I've read it ten times. My therapist and I are going to unpack it Tuesday.

OLIVIA
Copy.

NICK
'Copy' we're beginning our search for Mendoza...or 'copy' there's a 'cafeteria guy' update?

They approach a hand-painted sign -- Banditos Restaurante.

INT. BANDITOS RESTAURANTE - MORNING

Cozy and colorful -- Olivia spots a WAITRESS (30s, female). Holds up a photo of younger Mendoza.

OLIVIA
Por favor. This man, have you seen him, aqui? Has he eaten here? This hombre. Aqui, ever?

The Waitress shakes her head 'no' -- Nick slides in.

NICK
(Spanish, subtitled)
Excuse my friend, she's new in town. Gringas. Pfft.

The Waitress smiles and LAUGHS -- Nick gently grasps Olivia's elbow and ushers her --

OUTSIDE -- in front of the restaurant. She pushes his arm away from her.

OLIVIA
Gringo? What did you say to her?

NICK
Gringa. Female. Told her your favorite Mexican food is Taco Bell.

Olivia turns and clomps away. Nick grimaces at the harsh sunlight. Follows her.

SIDEWALK -- Olivia and Nick approach Restaurante La Antojada. A few tables and chairs out front overlook the water.

NICK
You and your kindergarten Spanish stay out here.

OLIVIA
I'm going in with you.

NICK
No one's giving up anyone to gringas barging in, asking questions. In English.

OLIVIA
What's our cover story then?

NICK
No story. The truth. Retired guy and his granddaughter looking for an old friend. Minus the killing.

INT. RESTAURANTE LA ANTOJADA - MORNING

Flickering fluorescent lights -- Nick and Olivia face the OWNER (50s, male) behind a chipped Formica counter.

OWNER
Poco inglés.

OLIVIA
Great. My grandfather is looking for his friend. This man.

Olivia holds up a photo of younger Mendoza.

OLIVIA
Our data says, uh...he might live around here. He loves pozole rojo, which you serve. Do you know him?

The Owner gives her a suspicious glance -- Nick SIGHS.

NICK
Forgive my granddaughter. This is her first trip to Mexico. She...

OLIVIA
This isn't my first trip to Mexico. I went to Cabo with a friend after I graduated college. We...

NICK
Let me guess. All-inclusive.

OLIVIA
What's wrong with that? It was a deal. It included *everything*.

The Owner moves from taking in the volley to stacking glasses on a nearby shelf.

OLIVIA
I'm sorry, señor. I'm Olivia. My grandfather and I haven't seen each other in many years. Until a few days ago. I don't know his middle name. Or his favorite color. But I know that he cares. He just wants to make sure his friend is okay.

The Owner pauses his stacking. Takes in Olivia, then Nick.

OWNER
I haven't seen my hermana in ten years. It's nice that you two have time to get to know each other.

Nick and Olivia hear the statement. Avoid each other's gaze.

OWNER
Paulo comes in about once a week. He looks younger in the photo, but that's him. He was here last week.

Nick and Olivia look at each other. She smiles. He nods.

EXT. RESTAURANTE LA ANTOJADA - MORNING

Nick takes a seat in a chair outside the restaurant. Leans back. Olivia stands over him, waiting for an answer.

NICK
You heard him. Mendoza eats here. All we gotta do is wait for him.

OLIVIA
Waiting is fine. I just want to see *him* before he sees us.

NICK
We talked about this. Olivia...

Olivia, bag shouldered, walks away from him.

EXT. HOTEL - MORNING

The side of a small, rustic hotel faces an alley.

Olivia scales a fire escape -- shoulders her bag across the top of the roof to the edge -- crouches behind a low parapet -- looks over and down.

Across the street, Nick sits in the chair in front of the restaurant. A propane TRUCK rumbles by in front of him.

Olivia sinks down. Reaches into her bag. Pulls out --

-- a PISTOL. She attaches a silencer to the front, and a small scope to the top -- peers over the edge again.

Down below, Nick looks up at her. Smiles. Waves.

Olivia SNORTS and scans the street below.

HOTEL ROOFTOP - AN HOUR LATER

Olivia walks the perimeter of the hotel roof, around a central raised stairwell. Her pistol hangs from one hand.

She steps to the edge and peers over -- the alley is empty.

Olivia continues her walk back to the street facing the restaurant. Looks over --

Nick sits leaning back in the chair. On the chair next to him: two empty bottles of Coke, an empty bag of Sabritas.

Olivia glances toward the end of the block, at the corner --

-- long hair and linen shirt, stands -- PAULO MENDOZA (64).

HOTEL STAIRWELL -- FEET walk up the stairs. On the landing, a pair of THICK GLASSES drop and are stepped on with a CRACK.

The feet continue up the stairs -- the hotel roof door opens.

ON THE ROOF -- Olivia scrambles to the corner of the hotel roof. She kneels. Positions. Aims --

THROUGH THE SCOPE -- Mendoza walks from the corner of the building down the sidewalk toward Nick.

PISTOL TRIGGER -- Olivia's finger tightens on the trigger.

VOICE
(calm, female)
Don't.

Olivia turns her head toward -- SOFIA GALARDO. She looks awkward in shorts. Stands between Olivia and the roof door.

Olivia swings the pistol. Aims it at Sofia.

SOFIA
If I was here for you, you'd be dead already.

Olivia looks back over the edge of the parapet down at --

Mendoza and Nick. Mendoza grabs Nick in a friendly hug.

SIDEWALK -- Mendoza releases Nick from the hug.

MENDOZA
Nicholas. You look terrible.

NICK
You look like you've been eating well, mi amigo.

MENDOZA
(little laugh)
I eat like a monk now. Gotta keep my girlish figure.

Mendoza pats his belly -- Nick's eyes dart to the hotel rooftop across the street -- Olivia's not there.

NICK
There are people dying again, Paulo. Our agents. Is that you?

MENDOZA
What? Killing? No.

Nick holds Mendoza's gaze for a moment. Nods.

ROOFTOP -- Olivia lowers the pistol. Takes in Sofia.

OLIVIA
Then who are you here for?

SOFIA
You were going to take the shot.

OLIVIA
I have a directive.

SOFIA
I know what you have.

Olivia resists looking over at Nick -- Sofia remains still.

SOFIA
You're using a pistol now. You're steadier than you were.

Olivia stares at her. Steadier than when?

Sofia removes something from her pocket. Throws it to Olivia.

Olivia catches -- a COMM DEVICE, an off-network custom phone.

SOFIA
When you know what you're doing.

OLIVIA
I know what I'm doing.

SOFIA
Then you won't need it.

Olivia can't resist. Extends, looks over and down at --

SIDEWALK -- Nick and Mendoza still talking.

Olivia looks back toward Sofia -- she's gone.

Olivia sits holding the comm device. Chucks it into her bag. Takes apart the pistol, puts the pieces into her bag.

ROOF STAIRWAY -- Olivia walks down the stairs. Doesn't see --

the broken THICK GLASSES at the corner of the landing.

EXT. RESTAURANTE LA ANTOJADA - SIDEWALK - DAY

Olivia stands facing Nick. Behind them, Mendoza sits next to Nick's empty bottles and chip bag. Looks out at the water.

NICK
Sofia Galardo? Why was she here?

OLIVIA
Maybe ask him.

Olivia peers past Nick at -- Mendoza, who smiles at her.

OLIVIA
So, you ask him if he's been killing agents again. He says no. That's it? No other questions. You just believe him.

NICK
Because he's telling the truth. He's a bad liar. Before a lie, a little laugh. He didn't do it.

OLIVIA
That's a tell. Tells can be hidden.

NICK
Not his. Not from me.

Olivia looks to Mendoza, who now stands right behind Nick.

OLIVIA
I have a directive. An order.

NICK
You came here to put down a killer. I'm telling you, Olivia...that's a man who is many things. Tired. Retired. Not a killer.

Mendoza, filled with emotion, moves toward them. Nick steps away from Olivia. Mendoza moves toward her, arms open.

Olivia taps her earbud on. Takes a step backwards.

MENDOZA
Nick's partner. Olivia.

Mendoza's arms wrap around and engulf her -- she stands rigid inside his embrace.

Olivia's eyes lock onto -- Nick, who offers a giddy grin.

OLIVIA
He's hugging me.

LYLE (O.S.)
Mendoza? The target is hugging you?

OLIVIA
Mmm-hmm.

EXT. DOWNTOWN ZIHUATANEJO BOARDWALK - DAY

Nick and Mendoza sit at a concrete table on the boardwalk overlooking the cove. They eat pozole from styrofoam bowls.

Olivia and her bag sit next to them on a low rock wall.

Nick slurps from his bowl like he hasn't eaten in days.

MENDOZA
I told you. Best in town.

OLIVIA
Meanwhile, I held a shot I was ordered to take. I have to file something. And right now, I have nothing. So, I need to know where you've been the last eleven years.

MENDOZA
Europe. South America. Mexico City. Eight years here.

Mendoza shovels a spoonful of pozole into his mouth. Reaches up to an ache in his right shoulder -- Olivia notices.

OLIVIA
Doing what?

MENDOZA
Living. It's really good for you.

OLIVIA
What about the agents you killed?

MENDOZA
I didn't kill anyone. Eleven years ago, or now. Someone made that story up.

Nick slurps a spoonful of pozole, watching the volley.

MENDOZA
James Coleman. CIA. I spent two years building a case against him.

OLIVIA
Your file says *you're* the traitor.

NICK
Olivia.

Mendoza puts his spoon down. Wipes his mouth.

MENDOZA
What you haven't seen is my file on Coleman. Kills. Bribery. Theft. I had all of it. A weapons dealer in Munich. A banker in Naples...a grandmother who laundered twenty years of Coleman's dirty money.

Olivia stares at Mendoza and into the past --

FLASH -- Positano. Olivia peers through the scope. POP -- the Grandmother with salt-and-pepper hair falls to the ground.

Olivia blinks. Scans the people walking the boardwalk.

OLIVIA
So, you spent all that time to build a case. And never filed it?

MENDOZA
Coleman's heart gave out. Before I could submit it. The case died with him. No defendant. No trial. So, they needed a scapegoat.

OLIVIA
And that was you. So you ran.

MENDOZA
I disappeared. To stay alive.

FLASH -- young Mendoza sitting on an airplane -- alone on a Paris train -- alone in a small Berlin hotel room.

MENDOZA
I figured it was over. The real question is...why would the Agency send you here to find and kill me?

Nick finishes his pozole. Drinks broth from the container.

NICK
Tell him.

OLIVIA
Sofia Galardo was here. On the roof. When you first saw Nick.

NICK
Remember her? Weird. But always nice. Great reputation.

MENDOZA
Sí. What was she doing on the roof?

Nick and Olivia exchange a look -- Mendoza gets it.

OLIVIA
What's important is that she's here. And she apparently didn't do what she came here to do.

MENDOZA
Neither did you.

OLIVIA
Not yet.

Olivia pats the side of her bag. Half joking, half not.

NICK
If *we* found you, and *they* found you...it's not long before someone else comes looking.

OLIVIA
We need a plan. We have to move.

Olivia looks toward Nick -- Mendoza looks inland, in the direction of home.

MENDOZA
I have a life here. A home. Nadia. Lily's only seven.

NICK
You're on the radar now. It isn't safe here. For your family.

MENDOZA
If I go, they're safe?

NICK
Safer.

Mendoza shakes his head. Pauses. Then gives a single nod.

NICK
Mexico City. Easier to hide there. More resources. Options.

Nick touches Mendoza's shoulder. Mendoza lowers his head.

OLIVIA
Mexico City. I'm sorry.

Mendoza SIGHS, overwhelmed with emotion.

EXT. DOWNTOWN ZIHUATANEJO STREET - DAY

Olivia, Nick and Mendoza stand at the curb. A battered, local BUS RUMBLES up beside them.

OLIVIA
Airport. Oh seven hundred.

NICK
Oh eight hundred.

Olivia nods -- Nick and Mendoza join a group of locals and board the bus. The BUS RUMBLES away down the street.

Olivia stands alone. A woman and boy approach. Prompt her to buy candy or a leather belt.

OLIVIA
No gracias.

The woman and the boy walk away. Olivia looks toward -- the cove, the sparkling water, and the glowing afternoon BEACH.

Olivia walks toward it.

INT. LOCAL BUS - DAY

The bus is full of locals sitting. Windows open. Dusty. Nick and Mendoza stand holding a worn metal bar. Jostled.

NICK
Olivia. She's my granddaughter, Paulo. Found out years ago she joined the Agency.

MENDOZA
Nicholas. Your granddaughter. That's the most beautiful thing.

Mendoza manages to hug Nick with one arm -- Nick cringes.

NICK
Since when did you become a hugger?

Mendoza withdraws his arm.

MENDOZA
I have my Nadia to thank for that. She broke me open like a piñata. All my emotions on the ground, like candy. You should try it.

NICK
Nah. Too late for me. My Miriam passed. Three years ago.

Mendoza pulls Nick into another one-arm hug -- Nick squirms.

A small boy in a seat eyes Nick and Mendoza hugging.

Mendoza withdraws his arm.

The bus hits a large pothole. Nick raises a second hand to the metal bar to keep from falling over -- the boy smiles.

MENDOZA
And how is your Jack?

NICK
Been three years. Since Miriam's funeral. There's a path back to him. I just have to walk it. 'The real cycle you're working on is a cycle called yourself'.

MENDOZA
Walking is good for you.

Nick notices a mood-shift in Mendoza's face. Sadness.

The boy eyes Mendoza. His smile fades.

EXT. RURAL NEIGHBORHOOD - DAY

In the distance, the BUS RUMBLES away. Nick and Mendoza walk a long gravel road toward --

-- a cluster of small, rustic houses surrounded by trees, low hills and a big sky.

EXT. MENDOZA'S HOUSE - DAY

A small, rustic house with cinderblock walls and a weathered terracotta roof.

Nick follows Mendoza to the door. Mendoza pauses. Tears roll down his face. Nick puts a hand on his shoulder.

Mendoza enters through a screen door. Nick holds the door open. Peers inside. Gets a brief glimpse of --

NADIA (46) -- dish rag in hand. She looks at Nick. Confused.

Nick nods respectfully. Closes the screen door.

EXT. MENDOZA'S HOUSE - TEN MINUTES LATER

Nick leans against the house -- Nadia WAILS inside.

Mendoza emerges, shouldering a backpack. Distraught.

NICK
Amigo.

Nick touches his shoulder. They walk in silence down the long gravel road away from the house, toward the bus stop.

EXT. LA ROPA BEACH - AFTERNOON

Gentle waves lap the golden beach -- in front of a hotel are a few rows of lounge chairs and umbrellas. In one chair --

-- Olivia reclines wearing pants and a long-sleeve shirt.

A full piña colada sits on a small table next to her.

A couple wearing skimpy swimsuits run up the beach past Olivia to their chairs. Eye her as they pass.

Olivia reaches into her bag. Pulls out --

the COMM DEVICE Sofia gave her. Cradles it so no one can see.

Olivia flinches. The comm device RINGS.

She inspects the side of it. Pushes a button. The device turns off, goes QUIET.

EXT. CIA HEADQUARTERS - COURTYARD - AFTERNOON

Clint stands in the middle of the courtyard. His comm device pressed to his ear. It RINGS, RINGS, RINGS -- no answer.

LA ROPA BEACH -- Olivia slides the comm device into her bag. Puts in her earbud. Taps it.

LYLE (O.S.)
Don’t tell me. You’re...parasailing with a guy you met jet-skiing.

OLIVIA
Snorkeling. But close.

LYLE (O.S.)
So close. Mission status? Where are you? Why’s your earbud off?

OLIVIA
The mission is...complicated.

The gentle WAVES WHOOSH. A SEAGULL SQUAWKS.

LYLE (O.S.)
Okay. What do you need, Liv? An asset? An alibi? A temp filing? Whatever you need, I can...

OLIVIA
No. I don’t need anything, from...

The couple behind Olivia LAUGHS.

LYLE (O.S.)
From me. Got it. Well, have a piña colada for me. Or two.

OLIVIA
Lyle...

-- but he's gone.

Olivia gets up off the lounge chair, shoulders her bag -- trudges through the sand past the couple, away from --

-- the full, untouched piña colada on the table.

INT. BUDGET HOTEL - NICK'S ROOM - DAWN

Plain, no-frills room.

Nick throws a shirt and toiletries in his leather duffel -- picks up his book from the desk. Takes out the bookmark --

PHOTO -- younger Nick and his wife MIRIAM, in better days.

Nick winks at the picture. Puts it back in the book and tosses the book into the leather duffel.

OUTSIDE HIS HOTEL -- Nick and Mendoza at the curb. A taxi pulls up.

INT. LA ROPA PALMS HOTEL - OLIVIA'S ROOM - DAWN

Olivia neatly packs her roller. Fast but precise.

OUTSIDE HER HOTEL -- Olivia at the curb. A taxi pulls up.

EXT. AEROPUERTO DE ZIHUATANEJO - MORNING

A battered, propeller-driven airplane sits on the tarmac.

Mendoza shakes hands with the pilot. Nick and Mendoza climb up a few metal steps into the plane.

Olivia stops at the bottom of the steps. Taps her earbud off. Takes it out of her ear --

-- puts it in her pocket.

She climbs the steps -- Nick reaches out the door and takes her bag -- she pulls herself up inside the plane.

INT. AIRPLANE - MID-FLIGHT - DAY

ENGINES RUMBLE. Mild turbulence. Nick and Mendoza sit in cramped middle seats, eyes closed -- Olivia leans against the bags in the back seat, eyes open.

Olivia looks at her phone -- no service.

She slides the phone into her bag, next to the COMM DEVICE.

INT. CIA HEADQUARTERS - CLINT'S OFFICE - DAY

Clint stands wearing a headset in front of a glass case containing a military knife collection. The door is open.

He dusts one of the largest knives with a small cloth.

CLINT
Mexico City. Mendoza should be with two of ours. Vaughn’s dark. Compromised, not hostile.

Clint’s eyes are reflected in the blade of the knife.

EXT. AEROPUERTO DE LA CIUDAD DE MEXICO - DAY

The airplane sits next to a black SUV on the tarmac in --

TITLE: MEXICO CITY, MEXICO

TARMAC -- Olivia and Nick climb into the SUV -- an Audi A6 sits parked just outside the airport perimeter fence.

INSIDE THE AUDI A6 -- two GUYS. One looks --

THROUGH THE BINOCULARS -- Mendoza climbs into the SUV.

AUDI GUY 1
Mendoza.

EXT. MEXICO CITY STREET - DAY

The black SUV rolls down the street in moderate traffic.

Mendoza drives. Olivia beside him. Nick and bags in the back.

NICK
...and axolotls stay babies their whole life. They’re like, nope... staying like this, thanks.

OLIVIA
Why do you know that?

NICK
They also grow back stuff. Parts of their brain. Legs. Their heart.

Mendoza looks at Nick in the rearview mirror.

MENDOZA
That's beautiful.

NICK
PAULO!

Mendoza jams on the brakes -- the SUV SKIDS to a halt.

The Audi A6 sits sideways in the middle of the street -- the window rolls down -- the driver leans out with a pistol and --

POP -- Mendoza's side-view MIRROR SHATTERS.

Nick pulls a pistol out of his duffel -- Olivia taps her tablet to life -- Mendoza panics.

OLIVIA
Left!

The SUV turns left. Cuts off oncoming traffic -- VEHICLES SKID to a stop and HONK.

Nick rolls down his window, leans out, waits for a bicyclist to pass and -- POP -- the Audi's back right TIRE DEFLATES.

The SUV speeds off down the side street -- the Audi follows.

Olivia taps frantically on the -- TABLET -- red text reads: ACCESS DENIED.

OLIVIA
Dang it.

NICK
Can't you use the map app on your phone? Or ask your boyfriend?

Olivia tosses the useless tablet back into Nick's lap -- Mendoza grips the steering wheel.

MENDOZA
Now where?

OLIVIA
Right. Now!

Mendoza cranks the wheel -- the SUV DRIFTS the corner and CLIPS a parked car -- Olivia and Nick jolt with the impact.

MENDOZA
Lo siento, amigos. Been a while.

The SUV speeds down the street -- POP -- the back WINDOW EXPLODES behind Nick. He fires back -- POP -- then ducks.

MENDOZA
Next?

NICK
Left!

OLIVIA
Right!

NICK
We can lose them on Reforma.

OLIVIA
No, we can't. On Sundays, the...

NICK
Left, Paulo. Now!

The SUV DRIFTS left, then speeds down the street -- a second Audi A6 joins the first -- both trail the SUV close behind.

NICK
You were saying?

OLIVIA
Nothing. We followed your hunch.
Now we're trapped.

The SUV and two Audis speed toward a metal barricade.

NICK
There's always a way out.
(to Mendoza)
Brussels. That bridge barricade with the thing and the horse.

MENDOZA
Copy.

Mendoza GUNS IT -- Olivia ducks -- the SUV CRASHES through the barricade and DRIFTS out onto Reforma and joins --

-- a river of Sunday bicyclists, runners and rollerbladers.

The SUV speeds down the wide central thoroughfare.

MENDOZA
I forgot how much I like driving.

One of the two Audis comes alongside the SUV, passenger side.

POP -- the bullet whizzes past Nick's head and SHATTERS half the WINDSHIELD -- Nick aims his pistol at the driver and --

POP -- the driver goes limp.

OLIVIA
No!

The Audi veers left. Clips THREE CYCLISTS, throwing them and their bikes hard onto the pavement --

-- then CRASHES to a stop into the central median.

CYCLISTS on all sides YELL and shake their fists at the SUV.

NICK
What the hell's with all the bikes?

OLIVIA
Sundays. Its all bikes. That's what I was saying.

Mendoza floors it -- the SUV lurches away from the downed Audi -- the second Audi pulls around it and ACCELERATES.

The SUV and Audi approach the central Reforma roundabout circling the Ángel de la Independencia statue.

MENDOZA
Hang on.

The SUV veers left -- the Audi veers right -- both vehicles circle the statue. Converge on the other side.

POP -- the Audi driver shoots at the SUV -- Olivia aims past Nick and -- POP -- fires at the Audi.

The Audi's tire BLOWS OUT -- it swerves and recovers.

OLIVIA
This bike thing is going to veer right on Avenida Juárez, then end at the Palacio de Bellas Artes.

Nick and Mendoza listen intently to Olivia.

OLIVIA
When it ends we're going to be...

MENDOZA
No bueno.

NICK
Screwed.

OLIVIA
We'll be trapped. Stuck in traffic.

NICK
How do you know that?

OLIVIA
I studied Mexico City traffic maps. It's called research. You should try it sometime.

NICK
I was never a good student.

POP -- the back right TIRE of the SUV BLOWS OUT -- Mendoza struggles to keep the SUV on the road.

The SUV and the Audi veer right onto Avenida Juárez.

OLIVIA
We have to ditch this. Get to one of the metro stations a couple blocks south.

NICK
Sounds like a plan.

The SUV speeds down Avenida Juárez -- the Audi follows.

OLIVIA
When I fire, hard right.

Mendoza nods -- Olivia turns and aims. Nick ducks and --

POP -- the Audi's front TIRE EXPLODES -- it spins to a stop.

Mendoza cranks the steering wheel -- the SUV banks right then CRASHES through a metal barricade onto a side street.

Behind them, the two AUDI GUYS climb out of the Audi in the middle of the street -- cyclists JEER and YELL at them.

Pistols drawn, the Audi guys sprint toward the --

SIDE STREET -- the SUV SKIDS to a stop behind traffic.

OLIVIA
Move!

They all climb out of the SUV -- Mendoza shoulders his backpack and Olivia's bag -- Nick shoulders his duffel and --

OLIVIA
Leave the roller.

NICK
You sure? You don't have lotions or organic hair products, or...?

She turns and bolts. Nick sprints. Mendoza runs after them.

METRO STATION ENTRANCE -- stairs sink into the ground.

Olivia and Nick head down the stairs. Mendoza follows -- the Audi guys see them descend. Sprint toward them.

INT. METRO STATION - DAY

Tiled walls. ECHOING SOUNDS. PEOPLE wait at the platform.

Olivia and Nick reach the bottom of the stairs. Then Mendoza.

Nick shoves Mendoza to the right into two bystanders having a conversation. They're confused. Mendoza smiles.

MENDOZA
Hola. Cómo estás?

Nick and Olivia run left down the platform.

Mendoza eyes -- the Audi guys emerge onto the platform. They don't see him and follow Olivia and Nick.

Olivia and Nick weave through the crowd. Olivia stops short.

OLIVIA
Where's Mendoza?

She turns back -- Audi Guy 1 points a gun at her.

AUDI GUY 1
Where's Mendoza?

DOWN THE PLATFORM -- Mendoza pulls a gun from his backpack. Looks past Audi Guy 2 at -- Olivia frozen at gunpoint.

LOUD ECHOING POP -- Audi Guy 1 goes down. Behind him -- Mendoza holds the pointed gun.

The surrounding CROWD YELLS, SCREAMS, ducks and scatters.

Audi Guy 2 glances at his downed partner, then at Olivia.

Nick looks down to his feet at -- a small purse, dropped by a bystander in the commotion. Nick kicks the purse --

-- up into Audi Guy 2's face.

Olivia rushes forward and kicks Audi Guy 2's hand. His --

PISTOL -- CLANKS onto the floor, drops onto the metro tracks.

Audi Guy 2 rushes Olivia. She blocks a punch, gives him a solid punch in the stomach, then an elbow to the chin.

Audi Guy 2 tries again with a roundhouse punch to the head.

Olivia eats the punch. Rushes him. Audi guy 2 falls backward.

Nick pulls a gun from his duffel -- Mendoza stumbles forward. Kneels down to the downed Audi Guy 1.

Audi Guy 2 is back on his feet. Olivia unloads two targeted punches. He swings back -- Olivia hooks her foot around his ankle and pulls hard. He falls to the floor.

Olivia leaps on top of him. Delivers a precision blow to the nose. He's out.

Olivia climbs off Audi Guy 2. Pushes hair out of her face. Wipes blood from her nose. Looks at -- an impressed Nick.

NICK
Look at you.

OLIVIA
Georgetown doesn't teach you *that*.

Olivia and Nick cross to Mendoza, who kneels over Audi Guy 1. Still. Blood. He's dead.

Olivia witnesses -- Mendoza's hands shake. His expression isn't triumph, but grief -- Nick leans down to him.

NICK
Paulo. Not here. Let's move.

An incoming metro TRAIN RUMBLES toward the platform.

The metro train slows to a stop. The few people left on the platform stand frozen against the tile wall.

The train doors open -- Nick grabs Mendoza under his arm. Olivia follows them onto the train. The doors close.

The train accelerates away into the darkness of the tunnel.

EXT. HOTEL MIRAFLORES - NIGHT

A no-frills neighborhood hotel on the edge of the city.

INT. HOTEL MIRAFLORES -- a compact kitchen/living room hub connects three plain bedroom/bathroom combos.

One door is closed -- Olivia leans against the kitchen counter. Mendoza stands next to the kitchen table.

Olivia pours a cup of water from a garrafón. Hands it to him.

MENDOZA
I just want to hug her.

Olivia is unsure what to say. They stand in silence a moment.

OLIVIA
Something I can't shake. Clint Walker sent me here to kill you.

Mendoza sips from the cup. Nods.

OLIVIA
My other missions. Were any of the targets...

MENDOZA
Coleman? On my list?

Mendoza grabs a pen and paper from the counter. Writes on the paper. Hands it to Olivia.

MENDOZA
Everyone on here is dead. You didn't know.

Mendoza touches Olivia's shoulder. Goes into his room.

Olivia studies the list.

FLASH -- Rotterdam. Canal. THROUGH THE SCOPE -- POP -- Korbin Haas falls into the water.

Olivia stares. The pen moves near the paper.

FLASH -- Atlanta. Park. THROUGH THE SCOPE -- POP -- Nancy Lynne Gerber falls to the ground.

Olivia blinks. The pen twitches over the paper.

FLASH -- Berlin. Ballroom. THROUGH THE SCOPE -- POP -- Gunter Schneider falls to the floor.

Olivia squints. The pen hovers above the paper.

FLASH -- Positano. Terrace. THROUGH THE SCOPE -- POP -- Alma Marie Alvaro falls to the ground.

Olivia sets the pen down. Looks at the --

PAPER -- four out of five names on the paper are circled.

Olivia lets that sink in. Then --

FLASH -- Positano. A woman with thick glasses near the bar watches Alma Marie Alvaro fall to the ground.

Olivia blinks.

FLASH -- Berlin. Atlanta. Rotterdam -- a woman with thick glasses watches each kill.

Olivia stares through the wall.

FLASH -- Zihuatanejo. Olivia walks past -- the broken glasses in the hotel stairwell -- Sofia on the rooftop --

SOFIA
Don't.

Olivia stands alone in the kitchen. Reaches into her bag. Takes out the comm device.

FLASH -- Harold's office. Clint looks down at Olivia.

CLINT
I would hate to be wrong about you.

Olivia puts the device back in her bag. Breathes.

INT. CIA HEADQUARTERS - HALLWAY - MORNING

LYLE (31) saunters down the wide, modern hallway, a pop of color in a monochrome Agency. Yellow sweater, grey slacks.

HALLWAY -- Lyle walks from the new building to the old one.

ELEVATOR -- plain, dated. Lyle looks at his reflection in a small mirror. Checks if there's anything in his teeth.

FILE ROOM ENTRANCE -- at the checkpoint window sits a CLERK (female, 40s) with a kind face.

CLERK
Good morning. Sign-in please.

Lyle returns her smile. Writes on the sign-in book.

LYLE
Do you know where I'd find travel expense filings, '04 to '09?

INT. HOTEL MIRAFLORES - MORNING

Sunlight fills the kitchen. Outside is the WHISTLE of a knife sharpening vendor.

Olivia and Nick sit at the kitchen table, two empty food containers with corn husks between them. One unopened.

OLIVIA
...especially the green stuff.

NICK
Salsa verde. The key is doing the tomatillos longer than you think. You keep them on the heat longer...

Nick cuts himself short.

NICK
Sorry.

OLIVIA
For what?

NICK
For telling you how you should do something you didn’t ask about.

OLIVIA
What actually happened. With Dad? You told me the version you tell strangers. I’m not a stranger.

A CAR HORN and BARKING DOG outside fill Nick’s pause.

NICK
I was gone a lot. Your whole childhood. When your grandmother started forgetting things. Keys. Words. Her sister. Jack would call. Said he needed me home for this or that. I said I couldn’t.

OLIVIA
You were on a mission.

NICK
Always another one. By the time I came home for good, your dad had been doing it alone for almost a year. Doctor visits. Paperwork. Watching his own mother forget him. All the memories they shared. He was tired. And pissed.

OLIVIA
So, he picked a fight.

NICK
No. *I* did. If we were fighting about politics or random shit, we weren't talking about what I'd actually done. *Not* be there. I waited for him to bring it up. But he never said what needed saying. Wonder where he got that from.

Olivia opens a small container, puts it between them.

NICK
Flan for breakfast?

OLIVIA
Breakfast dessert.

Nick and Olivia share a smile. They take turns using one plastic spoon to take bites of the flan.

OLIVIA
I drove to their house once. Dad's.

Nick leans back in his chair, glad to stop talking.

OLIVIA
Parked across the street. Sat there, engine running. Twenty minutes, maybe. I had it all planned. What I'd say, where I'd sit. How long I'd stay so it didn't look like I needed anything.

Nick raises his eyebrows, offers a silent 'And?'.

OLIVIA
And I drove back to Langley. Told myself I'd go back the following weekend. That was four years ago.

Olivia takes a bite of flan. Puts the spoon down.

OLIVIA
My father used to do the thing you did with the salsa. Except with everything. Which school. Who to be. How to do everything *right*. I know he meant well. But when every visit was a...course correction. After a while it was just easier to *not* see him. *Not* pick up the phone.

Olivia closes the empty food containers and stacks them -- Nick stands.

NICK
Oscar. Ochre. Like a dirty gold.

OLIVIA
What?

NICK
My middle name. Favorite color.

Nick extends a hand to put on her shoulder. She misreads it as a handshake and grasps his hand. Awkward.

Mendoza's door opens. He stands holding a burner phone.

MENDOZA
(Spanish, subtitled)
It's me.

Nick and Olivia look at Mendoza -- Olivia puts the empty food containers into the garbage. Nick types on his BlackBerry.

NADIA (O.S.)
(Spanish, subtitled)
You said you would call last night.

MENDOZA
How is the garden?

NADIA (O.S.)
Paulo.

MENDOZA
It needs water. Did you do it?

NADIA (O.S.)
I did it wrong, probably.

MENDOZA
(little laugh)
I am sure you did it right.

Silence. She knows what the little laugh means.

MENDOZA
Is Lily up? Put her on.

NADIA (O.S.)
She just left for school. You know what time she leaves.

Nick's thumbs have stopped typing -- Mendoza turns away.

NADIA (O.S.)
Paulo. Come home.

MENDOZA
I will call you tomorrow.

NADIA (O.S.)
That is not what I asked.

Mendoza hangs up. Turns back around -- Olivia slides the food container toward him -- Nick puts his BlackBerry down.

NICK
You have to die, Paulo.

Mendoza sits at the table. Opens his container of tamales.

OLIVIA
It wouldn't have to be forever. Once it's safe, and some time has gone by, you could bring her...

MENDOZA
Nadia has a sister in Guadalajara. A church. Forty years of people. Family. You want me to call her in six months, or six years, and say *'good news, I'm not dead, leave everything you know to come be with me who knows where'*?

Mendoza holds the tamale. Puts it down.

MENDOZA
And Lily. She's seven. She buries me. Then some man calls her out of the blue when she's twenty. Says he's her father.

NICK
Paulo. We didn't know. You...

MENDOZA
The answer is no.

Olivia sits down at the table next to Mendoza.

OLIVIA
Korbin Haas, Rotterdam. Nancy Gerber, Atlanta. Gunter Schneider, Berlin. Alma Alvaro, Positano.

Olivia puts her hand on Mendoza's shoulder.

OLIVIA
Paulo Mendoza, Zihuatanejo.

Mendoza looks up at her.

OLIVIA
If you go home, you get some time. A month. A year. And then someone like me comes to Zihuatanejo. They're told it's clean. They don't ask questions.

Mendoza shakes his head. Puts his face in his hands.

NICK
And Nadia's in the house. Or Lily.

Olivia and Nick share a glance -- Mendoza picks up the burner phone. Cradles it.

MENDOZA
Okay. Kill me.

Olivia exhales -- Nick nods.

MENDOZA
But not here, in this sad room. If I'm going to die, I want it done properly.

Olivia eyes Nick -- Nick shrugs -- Mendoza lifts his head.

MENDOZA
I know people in this city.

EXT. HOTEL MIRAFLORES - ROOFTOP PATIO - DAY

The rustic patio is flanked by a propane tank on one side. Blue sky and a decent view of the neighborhood on the other.

Olivia, Nick and Mendoza sit in plastic chairs.

NICK
Agency records for Mendoza. Have to match whatever the locals file.

OLIVIA
Biometrics. Blood, dental, prints. We get them from the morgue, and I amend his Agency file to match.

NICK
You amend them.

OLIVIA
It's a records correction. People do it every day.

NICK
Not on a live target. Right before he ends up dead. Your name's on it, right next to the new date.

OLIVIA
I know.

NICK
Do you?

OLIVIA
I know what it could cost him if I *don't* do it.

MENDOZA
I'm right here. Still alive.

NICK
Then it can't just be paper. He has to be seen. In front of a crowd, an hour before he's in a drawer. Real witnesses. Security cameras.

OLIVIA
Clint has to believe it. So he won't keep digging.

Mendoza raises his hand.

OLIVIA
Then the body has to be there, too. In the same building.

MENDOZA
And it has to look like me.

NICK
Shouldn't be too hard. Viejos gordos should be a dime a dozen at the local morgue.

MENDOZA
Who are you calling fat, amigo?

Nick looks at Mendoza. Something's occurred to him.

NICK
A crowd of witnesses. In a building you can get us into. No.

Nick smiles -- Mendoza beams with a devious grin.

MENDOZA
Sí.

Olivia looks at them both. Confused. Outnumbered.

INT. HOTEL MIRAFLORES - MENDOZA'S BEDROOM - DAY

Mendoza stands wearing a white t-shirt. Holds Olivia's tablet -- Olivia raises her phone to take his picture.

NICK
Lower that thing.

Mendoza lowers the tablet. Looks directly at -- Olivia, who takes Mendoza's picture.

NICK
One problem.

OLIVIA
What?

NICK
Take the shirt off.

Mendoza hands the tablet to Nick who holds it like it's a serving tray. Pulls the t-shirt off over his head.

Across Mendoza's right shoulder -- a wide, ten-inch scar.

NICK
Laos. That guy with the machete.
Lucky that's all he did to you.

MENDOZA
Lucky? It was my fencing training
at university. It wasn't luck...

OLIVIA
Guys. Any available body isn't
going to have that scar. It's going
to be obvious that it's not you.

NICK
It'll look wrong if we try and
replicate it. Too fresh.

MENDOZA
Here.

Mendoza takes the tablet from Nick. Hands it to Olivia.

OLIVIA
Fake wrestling?

Nick and Mendoza look at each other like she's ignorant, uncultured, naive, clueless -- muy loco.

MENDOZA
Lucha Libre. There's a big show at the Arena tonight. We go to the morgue. Find a body. Get it into the Arena. Make the switch. Witnesses. Cameras. Everybody sees.

NICK
Simple.

OLIVIA
What about the scar?

Mendoza pulls his t-shirt back on over his head.

MENDOZA
I know a mortuary cosmetics guy. He does the fake scar at the morgue before the body goes to the Arena.

OLIVIA
Can't they do the makeup at the Arena? If they can do fake blood and bruises when the wrestlers pretend to get hurt, they can for sure do a fake scar.

Nick and Mendoza look at each other like she's --

EXT. INCIFO MORGUE - DAY

A plain brick building with a colorful mural on one side.

LOADING DOCK -- a rental truck backs up to the loading dock -- Nick rolls a red, wheeled trunk off the back of the truck through swinging doors. Olivia follows.

INT. MORGUE - COLD ROOM -- a fluorescent, sterile room with dozens of corpse drawers.

The Attendant (male, 30s) pulls open a drawer.

Mendoza looks. Shakes his head 'no'. Nick and Olivia stand to the side. Watching.

Another drawer. Mendoza 'no'. Another. 'No'. Another. 'No'.

Finally, Mendoza hovers over an open drawer. Looks. Studies. Nods ‘yes’ -- Mendoza hands the Attendant some pesos.

Olivia moves in close to the corpse. Masked. Gloved --

takes dental photos -- draws blood -- takes fingerprints.

When she’s done, Olivia leaves.

A Cosmetologist (female, 40s) stands next to Mendoza, his shirt pulled over his shoulder revealing his -- SCAR.

She studies it. Nods -- Nick hands her some pesos.

Mendoza shakes the Attendant's hand. He and Nick leave --

-- the plain red, wheeled trunk in the corner of the room.

EXT. ARENA MEXICO - DAY

A nondescript building with ARENA MEXICO stenciled on the front. Red Coca-Cola awning. Empty sidewalk.

INSIDE THE ARENA - CONCOURSE -- a wide, arching passage rings the Arena. Closed concession stands on one side. Gated entrance tunnels to the arena on the other.

Mendoza and Nick walk the empty concourse. Talk. Point.

BACK HALLWAY -- a bright, concrete passage lined with various rolling trunks, doors to dressing and storage rooms.

Mendoza and Nick walk the hallway. Eye an unmarked door.

STORAGE ROOM -- filled with boxes, gear, broken arena seats. Mendoza and Nick find a crate filled with masks.

They rummage through the trunk and pick out three masks.

BACK DOOR -- Nick slips the DOORMAN some pesos.

MENDOZA
(Spanish, subtitled)
Tonight. A plain red trunk.

The Doorman eyes a passing pretty Luchadora.

DOORMAN
(replies in English)
Got it. I grew up in Tampa.

They leave. The Doorman closes the door behind them.

INT. HOTEL MIRAFLORES - AFTERNOON

Olivia sits at the kitchen table in front of her laptop. In front of her -- a sheet of paper with fingerprints, a small container of blood, and a bloodwork data sheet.

LAPTOP SCREEN -- Agency system. Red letters: ACCESS DENIED

Olivia picks up her phone. Dials. Waits.

OLIVIA
Hi. I really need your help.

She listens. Smiles.

LATER -- Olivia sits at her laptop. Types. Clicks.

LAPTOP SCREEN - SIGN-IN POP-UP -- Olivia enters her name and badge number in the empty fields.

She looks at the screen, her face apprehensive.

LAPTOP SCREEN -- popup disappears. Full access to Agency system tabs, menus, files, media -- and Paulo Mendoza’s file.

OLIVIA
(to herself)
Thanks, Lyle.

LATER -- Olivia prepares the report attachments. Uploads --

-- altered Mendoza dental record using the Agency format

-- altered Mendoza set of fingerprints

-- altered Mendoza biometrics panel with revised blood type

Olivia eyes -- the empty credential fields where her name and badge number will go, next to the ENTER button.

Olivia stares out the window at -- the afternoon sky.

INT. CIA HEADQUARTERS - CLINT'S OFFICE - AFTERNOON

Clint sits at his desk. Leans in toward his --

COMPUTER SCREEN -- a list of surveillance videos, each with thumbnails, titles, time-stamps. Clint clicks on --

VIDEO - POV TECH GLASSES - POSITANO -- terrace. Two men next to the Grandmother. POP -- she goes down.

The men rush to her. The girl in the dress flinches, runs away. PAN up to the tall second-floor window.

Clint stares at the screen.

VIDEO -- POV TECH GLASSES - ZIHUATANEJO -- hotel stairwell. The view becomes shaky. Turns to Sofia Galardo, who looks into the camera.

SOFIA
Clean outcome.

She nods. Shaky POV. The glasses drop to the floor. The sole of a shoe and CRACK. The view GLITCHES, then goes BLACK.

Clint stares at the screen. Pulls a folder from the organized stack on his desk -- GALARDO, SOFIA.

Pulls a page from the folder. Feeds it into a portable shredder on the floor at the side of his desk.

A SHARP SHREDDING SOUND as documents with Sofia Galardo's name come out the other side in strips.

A PHOTO of Sofia comes out in strips.

EXT. ARENA MEXICO - NIGHT

A river of people flow toward the entrance, past sidewalk vendors selling masks, food and souvenirs.

In SLOW MOTION, Olivia emerges from the crowd in a colorful Lucha Libre mask -- flanked by Nick and Mendoza, and --

BOMBASTIC MARIACHI MUSIC from a sidewalk Mariachi band.

ENTRANCE -- Olivia, Nick and Mendoza give their tickets, endure a quick pat-down.

Above the entrance -- a SECURITY CAMERA.

Mendoza eyes it. Raises his mask, his face visible for a moment. Pulls it back on.

They move with the flow of people inside, up stairs to the --

CONCOURSE -- crushing crowds and vendors -- Nick, Mendoza and Olivia enter one of the Arena entrance tunnels.

BACK DOOR -- the Doorman glances around. Accepts pesos from --

AUDI GUY 2, his nose taped from his Metro scuffle with Olivia. He enters the Arena building through the back door.

INT. ARENA MEXICO - ARENA - NIGHT

The center ring is like a jewel surrounded by thousands of SCREAMING FANS. Lights. Banners. A living, breathing RUMBLE.

Olivia, Nick and Mendoza arrive at their seats -- Olivia sits between the guys. Cramped. Less than thrilled.

NICK
Now, we wait.

IN THE RING -- an opening match. TWO LUCHADORES collide, one in red, the other in white. The CROWD BOOS -- Mendoza points.

MENDOZA
That's a rudo. The bad guy. You boo him. You have to boo him.

Olivia gives him a side-eye glance as if to say 'no'.

NICK
The técnico is in white. The hero.

MENDOZA
El Hijo del Relámpago.

NICK
His father was the great Relámpago. This kid's coasting on his name.

MENDOZA
His father was a plumber from Guadalajara who wore a cape.

NICK
Greatest plumber who ever lived!

Nick and Mendoza LAUGH -- Olivia grins at the silliness.

IN THE RING -- the white luchador forces the red one to the mat with an elbow slam. Runs to the ropes, steps up onto them, jumps -- comes slamming down onto the red one.

The CROWD CHEERS. The Arena vibrates.

Nick gives a small salute to the luchador -- Olivia sees it.

FLASH -- glowing memory of a living room. Young Olivia (7) sits on the floor. Her father, Young Jack, salutes a glowing TV screen showing the wrestler 'Stone Cold' Steve Austin.

NICK
Your dad used to do that. Watch matches on TV. With me. Before you.

OLIVIA
He did it with me, too.

NICK
Where’d you think he got it?

BACK DOOR -- the Doorman waves in a backstage crew member who rolls a plain red trunk into the back hallway.

The crew member rolls it next to a similar red trunk, with a stenciled mask on the side. Walks away.

A pretty Luchadora starts a conversation with the Doorman.

A different crew member approaches the Doorman. Sees he’s busy. Rolls the plain red trunk away down the hallway.

ARENA -- a tag-team match between four MINI-ESTRELLAS engages the crowd -- the losing duo writhes in the middle of the ring. The winners wave to the CHEERING CROWD from the ropes.

Olivia sits watching, amused by the spectacle.

A man taps Mendoza on the shoulder. Mendoza nods at Nick.

BACK DOOR -- Nick, Mendoza and Olivia approach the Doorman.

MENDOZA
Dónde?

The Doorman points to the red trunk with the stenciled mask.

MENDOZA
That’s not it. Plain red. No mask.

DOORMAN
I don’t know, amigo. It’s red. He rolled it in. That’s all I know.

Nick looks at Olivia and Mendoza.

NICK
Split up. We find it. Meet back here in a few minutes.

They all walk away in different directions.

HALLWAY -- Olivia scans the hallway. Sees an open red trunk. Inspects it. Assorted costumes. No dead body.

She approaches a dressing room door. Opens it.

She peers in and sees -- a naked luchador with his private parts strategically covered. The man looks at her. Stoic.

OLIVIA
Excuse, uh...lo siento, I am so sorry. Okay...

She pulls the door shut. Looks both ways. SIGHS.

HALLWAY -- Mendoza spots a woman rolling a red trunk away from him. He bolts after her.

MENDOZA
Disculpe. Por favor...

Mendoza flips the latches on the trunk before the woman can react. Flips open the top -- dirty laundry. No dead body.

The woman gives Mendoza an evil look. Pushes Mendoza's hand away. The top shuts. She rolls the trunk down the hallway.

UTILITY ROOM -- Nick enters the room, filled with hanging stage lights, colored gel flat drawer units.

He opens one red trunk -- broken lighting units. Another -- rolled up lighting cables.

NICK
Why are they all red?

HALLWAY -- Nick steps out of the utility room. Sees -- a craft service table with a spread of food.

Nick grabs a piece of pizza and takes a bite.

A YOUNG MAN tasked with minding the table glares at Nick.

YOUNG MAN
(Spanish, subtitled)
Put it down. I will call my boss.

NICK
(Spanish, subtitled)
But...I already took a bite.

The Young Man raises a walkie-talkie to his mouth.

Nick lowers the piece of pizza toward the table -- the walkie-talkie lowers -- Nick takes one last quick bite, throws the rest on the table, and bolts off down the hallway.

RAMP -- Olivia moves past the base of the ramp. Sees -- a MAN rolling a plain red trunk up the ramp toward the Arena.

The sound of the CROWD is LOUDER. Olivia sprints up the ramp -- grabs the edge of the trunk. The man pushes her away.

MAN
Suéltalo, gringa.

OLIVIA
Gringa. I know. Everyone keeps telling me.

VOICE (O.S.)
Here, let me help you.

Olivia turns -- AUDI GUY 2 punches the man in the face. The man falls onto the ramp. Audi Guy 2 pulls a gun on Olivia.

AUDI GUY 2
Take me to Mendoza.

HALLWAY -- Olivia pushes the plain red trunk down the hallway. Audi Guy 2 walks a few steps behind her.

Nick and Mendoza, masked, approach Olivia from the front. See the plain red trunk.

NICK
That it?

OLIVIA
Guys. You remember Audi Guy.

Nick and Mendoza see Audi Guy 2 and his gun behind Olivia.

AUDI GUY 2
In there.

STORAGE ROOM -- a large room with racks of Lucha Libre clothes, masks and props. The door shuts.

Olivia, Nick, Mendoza and Audi Guy 2 stand around the plain red trunk. They all look at each other like ‘what now?’

AUDI GUY 2
Where’s Mendoza?

They all eye the trunk -- Audi Guy 2 eyes Nick and Mendoza.

AUDI GUY 2
You two. Take off your masks.

Nick and Mendoza look at each other. Nick pulls off his mask -- Audi Guy 2 looks at Nick. Nope. Aims the gun at Mendoza.

Mendoza pulls off his mask -- Audi Guy 2 smiles.

Olivia jumps onto the red trunk and launches herself at Mendoza. Rides him to the floor -- gets him in a head lock.

OLIVIA
(quiet, whispers)
Follow my lead.

Audi Guy 2 and Nick look down at them. Bewildered.

OLIVIA
The directive was mine first. Mine.
If anyone's going to kill Mendoza,
it's going to be me.

AUDI GUY 2
I don't care. As long as he's dead.

Olivia tightens her lock around Mendoza's neck. Mendoza pretends to choke and gasp for air.

Nick grins. Eases backward away from Audi Guy 2.

Mendoza kicks his legs and writhes in a fake struggle.

Audi Guy 2 watches until -- SMASH -- Nick clocks him in the head with a folding chair. Audi Guy 2 falls to the floor.

NICK
Always wanted to do that.

Mendoza taps Olivia's arm. She releases him.

MENDOZA
Relámpago would be proud, amigo.

Nick unlatches the lid of the plain red trunk. Flips it up.

They all peer down into the trunk at -- the naked body of the corpse that resembles Mendoza.

OLIVIA
The scar. Looks plausible.

Mendoza's gaze drifts from the scar downward to the corpse's groin area.

MENDOZA
Dios mío. I should be so lucky.

STORAGE ROOM - A FEW MINUTES LATER

Audi Guy 2 is still sprawled on the floor. Next to him --

-- Nick and Olivia lean over the corpse. It's now dressed in Mendoza's clothes.

Olivia examines -- Mendoza's ID. She puts it in his wallet, then jams the wallet into the corpse's pocket.

Nick takes the mask Mendoza was wearing and pulls it down over the corpse's head.

MENDOZA (O.S.)
How do I look?

Olivia and Nick turn --

Mendoza wears a full Lucha Libre outfit. Cape. Mask. Flamboyant. Colorful. He pulls the mask up to reveal his face. Spreads his arms wide.

NICK
(to Olivia)
Happiest dead man in Mexico.

They all stand. Face each other. The time has come too fast.

Nick steps forward and hugs Mendoza, who hugs him back.

MENDOZA
(quietly, in Nick's ear)
Call your son.

Mendoza moves toward Olivia, who accepts his hug with wide open arms.

MENDOZA
(quietly, in Olivia's ear)
Take care of him.

Mendoza winks. Pulls the mask over his face. Crosses and walks out the door.

BACK DOOR -- Mendoza exits through the door past the Doorman.

OUTSIDE -- a small group of FANS SQUEAL as Mendoza exits. He signs an autograph, then moves toward the sidewalk.

One of the fans thumbs 'Who is that?' -- the other shrugs.

Mendoza strides away toward the street and down the sidewalk.

INT. ARENA MEXICO - ARENA - NIGHT

Olivia and Nick retake their seats -- a match between two female LUCHADORAS is just ending. The CROWD CHEERS.

Nick spots a vendor selling spiked MANGONADAS. Waves.

MONTAGE - MAIN EVENT START

The técnico wears gold, the rudo black. The técnico throws the rudo against the ropes, then SLAMS him to the mat.

The CROWD CHEERS -- Olivia leans forward, a full cup of mangonada grasped with both hands.

MAIN EVENT MIDDLE

Things have gone south. The rudo throws the técnico out of the ring, climbs up and jumps off the ropes. The rudo SMASHES the técnico onto the cement floor -- the CROWD BOOS.

Olivia stands. Gulps from her half-empty cup of mangonada.

OLIVIA
Is that legal? That should be against the flipping rules!

Nick notices Olivia loosening up. Living a little. Grins.

MAIN EVENT FINALE

Things are looking dire. The rudo kicks the técnico in the head. The REFEREE is distracted by the rudo's Coach.

Olivia points. Holds the empty cup in the other hand. Shirt stained with mangonada. She doesn't notice.

OLIVIA
Dang. He's not even looking. Open your eyes, ref! Look behind you! The rudo...is that legal?

NICK
Everything's legal.

Then, redemption. The técnico pummels the rudo over and over, until he falls on top of him. The referee falls to the mat -- SLAM -- SLAM -- SLAM -- and the match is over.

The CROWD CHEERS. Flashing lights. FIREWORKS. Victory!

OLIVIA
YEEEEEEEES! Heck yeahhhhh!

Nick and Olivia share a grin -- nearby, a boy and his grandpa hug and CHEER together -- MONTAGE ENDS

STORAGE ROOM -- A security guard joins another guard and a police officer. They're gathered around --

-- a dead, masked man sprawled on the floor.

One guard holds up an ID of -- Paulo Mendoza.

The top of the plain red trunk opens -- Audi Guy 2 sticks his head out. Sees Mendoza. Takes out his phone. Dials. Waits.

AUDI GUY 2
Mendoza is dead. Choked to death by Vaughn. Yeah, I'm sure. I saw her do it. That woman is a beast.

IN THE ARENA -- drunk Olivia's head rests on Nick's shoulder.

Bright, white light suddenly floods the arena. Security and police officers flood in through the entrance tunnels.

NICK
They found him.

Nick realizes Olivia can't understand what he's saying.

NICK
Alright.

CONCOURSE -- Nick helps a wobbly Olivia through the crowd.

ENTRANCE -- Nick helps Olivia out the front entrance through a crushing flood of people.

SIDEWALK VENDOR STAND -- Nick holds Olivia with one arm. Gives some pesos to a vendor with the other. Nick eyes the --

STREET -- an ambulance and police cars. Flashing lights. Paramedics wheel a stretcher and body out of the Arena.

Nick and Olivia reach the curb. He raises his arm. Waves.

INT. TAXI - NIGHT

Back seat. Olivia leans against Nick, her eyes closed. Next to her on the seat --

a pink axolotl PLUSH TOY.

INT. HOTEL MIRAFLORES - MORNING

Olivia sits at the table in front of her laptop. Hair a mess. Stained shirt. Sweaty.

LAPTOP SCREEN -- her report and attachments. In the blank credential fields she types in her name and badge number.

The cursor hovers over the ENTER button. She CLICKS it.

LAPTOP SCREEN -- SUBMITTED. RECEIVED -- VAUGHN, OLIVIA

Her name on a lie. Olivia stares at the screen.

KITCHEN - THIRTY MINUTES LATER

Olivia sits at the kitchen table in front of her tablet. Harold's face fills the screen.

HAROLD
Why am I just hearing from you now?

OLIVIA
It's been a complicated mission, sir. A clean outcome required some...improvisation. I just filed my report. Documents from local authorities are incoming. Mendoza's body is at Santa Lucía Air Base.

Harold takes in an unkempt Olivia through the screen.

OLIVIA
Nick and I completed the mission, sir. We're wheels up in a couple hours. We'll be at Joint Base Andrews by dusk.

HAROLD
Where's Ward?

OLIVIA
Getting breakfast. You know him, sir. If he wants chilaquiles, that's what he's going to have.

Harold leans to one side, as if he's listening to someone.

HAROLD
Enjoy your breakfast, Vaughn.

The person behind Harold leans in. It's CLINT. He peers into the camera at Olivia -- the screen goes BLACK.

KITCHEN - TEN MINUTES LATER

Nick sits across the table from Olivia. Between them are several open containers of food.

OLIVIA
Yeah. He seemed to buy it.

NICK
Good.

Nick digs into the gorditas -- Olivia's PHONE RINGS. She answers it.

OLIVIA
Lyle?

LYLE (O.S.)
Nope. Lyle is dead. Died of stress. This is a recording.

Olivia opens her food container. Takes a bite of her gordita.

LYLE (O.S.)
I haven't been home for two days. I've been at cafeteria guy's house. It's giving 'my grandma decorated this decades ago' but it's cute. Yes, I like him. Yes, he likes me. Yes, we're a thing. No, I don't know where it's headed. Yes, if you don't abandon me again I'll tell you all about it.

OLIVIA
Deal.

NICK
Cafeteria guy? They married yet?

Nick eats -- Olivia listens -- Nick watches -- Olivia's eyes widen. Her mouth opens a thin crack -- Nick scowls.

OLIVIA
Okay. Yeah. Thanks.

Olivia hangs up. Sets the phone down carefully. Stares at it as if it might ring again with a correction.

OLIVIA
Sofia Galardo. She's dead.

Nick stops eating. Puts his gordita down. They stare at each other. Food containers open. Appetites lost.

EXT. MEXICO CITY - SANTA LUCÍA AIR BASE - DAY

A C-17 transport plane squats on the tarmac. Ramp down. Surrounded by ground crew.

A black SUV pulls up alongside the plane.

INSIDE THE SUV -- Olivia and Nick sit next to each other as the SUV rolls to a stop. Nick opens his door to get out.

OLIVIA
Be there in a minute.

NICK
Kay.

Nick gets out. Shoulders his duffel bag. Shuts the door.

Olivia looks at her --

PHONE -- list of voice messages from Dad. She taps the callback icon. Waits. Listens.

OLIVIA
Dad. It's me. I'll be back to Langley tonight. I'll call you in the next day or two. Oh, and...I'm with someone you... Not, you know, like that. Okay.

She hangs up.

OUTSIDE THE SUV -- Nick stands next to the transport plane ramp. Duffel at his feet. BlackBerry pressed to his ear.

NICK
...no I'm not, Jack. I'm not asking you for anything. I'm not. I just wanted to...
(beat)
I know it's a bad time. I know.
(beat)
I just wanted to say it. When your mother...when she started going. You called and I didn't come, and then I made it about something else so I wouldn't have to deal with it. It was the wrong...
(beat)
That's fair. No, that's fair, Jack.

Olivia climbs out of the SUV with her bag and a plastic bag with two food containers inside it.

NICK
Sure, I...I'll let you go.
(beat)
Okay. I love you, son. I...

Nick hangs up as if he's already been hung up on. Turns to --

-- Olivia right beside him. She heard.

NICK
'The problem in front of you is...
is never the problem in front of
you.' Or something. I forget.

Olivia holds up the plastic bag with two food containers.

OLIVIA
Let's finish eating. Go home.

Olivia and Nick lumber up the open ramp of the C-17 transport plane toward a --

COFFIN -- draped with a black tarp, strapped down in the middle of the empty cargo bay.

The ground crew around the plane disperses. The plane's massive ramp raises.

INT. C-17 TRANSPORT PLANE - IN-FLIGHT - DAY

Nick and Olivia sit in jump seats to one side of the coffin.

The cavernous cargo bay RUMBLES.

Nick jams the last bite of his last gordita in his mouth and chews. Stares at the coffin.

NICK
Thirty years.

Olivia looks over at him, gordita in her hand.

NICK
Mendoza saved my life. I've been
carrying it around ever since, like
a rock in my shoe. And now...there
he is. All paid up.

OLIVIA
He's not in there.

NICK
No. Feels like it, though.

Olivia takes a bite of gordita. Looks down at the drip of salsa on her pants. Then up at the coffin.

OLIVIA
Eight years. Everything I worked for. My name, my authentication code on a lie. Feels like my future is in there.

NICK
This career maybe. Not your life. You still got one of those.

Nick reaches toward her, puts his hand on her shoulder.

NICK
Wake me up when we land. Or crash.

Nick leans his head back -- Olivia stares at the coffin.

FLASH -- Positano. The Girl in the dress peers up at her. Puffy red eyes -- a drop of blood on her finger.

Olivia finishes her gordita. Leans her head back.

EXT. C-17 TRANSPORT PLANE - IN-FLIGHT - AFTERNOON

The plane RUMBLES over the Gulf of Mexico toward the Louisiana coastline and on to Joint Base Andrews.

EXT. JOINT BASE ANDREWS - MARYLAND - DUSK

The C-17 transport plane sits on the tarmac, ramp down.

Olivia and Nick plod down the ramp -- Harold waits at the bottom, next to --

Clint, who leans on a wooden cane.

CLINT
Agent Vaughn.

OLIVIA
Sir.

Clint examines her -- messed hair, stained and wrinkled shirt and pants, dark circles under her eyes, stuffed bag.

CLINT
You went dark for two days.

Olivia smooths her shirt. Takes a moment too long to reply.

OLIVIA
I made the call the mission required. Sir.

CLINT
Tell me what the mission required.

OLIVIA
Clean outcome. No exposure. Agent Ward and I achieved the objective. Mendoza is right there.

Olivia points up the ramp at the --

CASKET -- the ground crew rolls it down the ramp on a church truck. It reaches the bottom of the ramp.

CLINT
Open it.

Olivia and Nick avoid sharing a glance.

The ground crew undo the latches -- the coffin lid opens.

Clint eyes the corpse, like he's looking for scratches on a returned rental car.

Nick hands Clint the Santa Lucía Air Base release documents that include Mendoza's name and stats -- Clint scans them.

CLINT
Close it. We'll find an appropriate burial for a traitor.

Nick's poker face has a barely perceptible crack in it.

CLINT
Something to say, Agent Ward?

NICK
Mendoza was a good partner. Shame he betrayed the Agency.

Clint analyzes Nick. Decides his usefulness has concluded.

CLINT
The Agency appreciates your service, Agent Ward. Have a safe ride back to Myrtle Beach.

NICK
Uh-huh. Sir.

Nick nods -- Clint limps away -- Harold leans in to Olivia.

HAROLD
My office.

Harold walks away.

NICK
HQ parking lot, when you're done.

Nick saunters away, duffel over his shoulder.

Olivia watches the ground crew roll the coffin away.

She stands small at the base of the transport plane ramp. The empty cargo bay opening yawns above her.

EXT. CIA HEADQUARTERS - NIGHT

Most of the windows of the vast facility are dark -- Nick's motorcycle sits alone in the near-empty parking lot.

INT. CIA HEADQUARTERS - RESTROOM -- tiled walls. Sterile.

Olivia looks at herself in the restroom mirror --

-- a disheveled mess. Tries to fix her hair. Gives up. Splashes water on her face. Wipes it with a paper towel.

Her PHONE RINGS. Olivia reaches into her bag. Pulls it out.

PHONE -- incoming call from DAD.

She pauses. Considers answering, but declines the call. The restroom DOOR SWOOSHES OPEN.

A YOUNG WOMAN (28) enters. Hair and outfit crisp and professional. She's Olivia four years ago. Sees Olivia --

YOUNG WOMAN
Agent Vaughn.

OLIVIA
Agent Spencer.

Agent Spencer's subtle GASP says 'she knows who I am!'

AGENT SPENCER
I've heard so much about your...
I mean, I haven't heard anything.
Wow. Sorry. Totally fan-girling
right now.

Olivia squints and forces a grin to say 'thank you'.

Agent Spencer takes out her phone. Selfie position --

AGENT SPENCER
Would you mind if I, if we...

Agent Spencer eyes Olivia up and down. Realizes --

AGENT SPENCER
I'm so sorry. You're...maybe...

OLIVIA
Another time.

Agent Spencer nods and retreats to a restroom stall. She HUMS a HAPPY TUNE that ECHOES through the restroom.

Olivia glares at herself in the mirror. Turns and leaves --

-- splashes of water dot the edge of the sink.

INT. CIA HEADQUARTERS - HAROLD'S OFFICE - NIGHT

Harold sits at his desk. Olivia sits in a chair facing him.

HAROLD
The review board convenes Thursday.

OLIVIA
Yes, sir.

HAROLD
They'll want the whole timeline. Zihuatanejo. Mexico City. Every decision, every deviation from protocol. In your own words.

Olivia nods -- Harold waits. She doesn't offer more.

HAROLD
Agent Vaughn. You went dark for two days on a Director-level directive. Give me one plausible reason. I can work with it.

OLIVIA
It was complicated. I made the call the mission required.

HAROLD
That's what you put in the file.

OLIVIA
It's what happened.

Harold leans back in his chair.

HAROLD
Off the record. Is there anything else I should know?

Olivia eyes the framed photo on his desk. Wife. Two kids.

FLASH -- Rotterdam -- POP -- Atlanta -- POP -- Berlin -- POP -- Positano -- POP. Zihuatanejo -- hold. Four circled names.

OLIVIA
No, sir.

Harold knows a shut door when he sees one.

HAROLD
Thursday. Nine. For what it's worth, I'll put in a good word. You're a stellar agent.

Olivia stands. She's at the door when --

HAROLD
Personnel notifications came through this afternoon.

Olivia stops. Doesn't turn.

HAROLD
Sofia Galardo passed. Thirty years working for the Agency. That's what she gets. Two lines in an email.

Olivia pauses. Her hand finds the door handle.

OLIVIA
Goodnight, sir.

Olivia leaves -- Harold watches the door shut behind her.

HALLWAY OUTSIDE HAROLD'S OFFICE

Olivia shoulders her bag down the hallway. Behind her --

LYLE (O.S.)
Miss 'thinks she can leave without saying goodbye'.

Olivia turns toward -- LYLE. Salmon button-down cardigan, black slacks. Loafers. A folder held to his chest.

Lyle looks her up and down. Isn't thrilled.

OLIVIA
I've been living, apparently.

LYLE
Is that what *this* is?

Olivia continues walking. He turns and follows her.

LYLE
What happens now?

OLIVIA
The board convenes Thursday. Do me a favor. Pull the review panel roster. I want to know who...

LYLE
Can't.

Olivia slows to walk with him.

LYLE
They moved me. Fourth floor. There's a window that faces the parking garage. Now I'll have a view of Gary's new Crosstrek. It's Metallic Silver.

Olivia stops. He stops.

OLIVIA
What did you do?

LYLE
Nothing. I pulled a few old expense reports. Half the people on them are long dead. The other half is Clint Walker. Signed off on every trip James Coleman took. Munich. Naples. Very neat handwriting.

Olivia glances up at the nearby ceiling camera.

OLIVIA
Who else knows?

LYLE
Harold. In about five minutes.

Lyle shrugs like it was nothing -- she walks. He follows.

OLIVIA
Lyle. I never asked you to...

LYLE
I know. You didn't.

They emerge in front of the CIA Headquarters Memorial Wall, a soaring marble space in memory of fallen agents.

They both pause. Look up at the wall.

LYLE
She's never going to be up here.

Olivia takes that in -- Lyle hugs the folder close.

LYLE
Liv. Are you coming back?

Olivia can't. Wraps her arms around Lyle. He returns the hug, folder gripped tight in one hand.

LYLE
The cowboy turned you into a hugger. You're a hugger now.

OLIVIA
Shut up.

LYLE
I'll only be a phone call away. Bonus points if it's hot goss.

Lyle pushes a stringy strand of hair out of Olivia's face.

OLIVIA
Cafeteria guy?

LYLE
Aaron.

OLIVIA
Aaron. Lyle and Aaron. It will look perfect on the wedding invite.

They both look at the wall and the words -- GAVE THEIR LIVES.

They exchange a smile. Olivia walks away toward the exit.

Lyle strides away -- folder clutched to his chest.

SECURITY CAMERA FEED - CIA HEADQUARTERS WEST ENTRANCE - NIGHT

Olivia leaves the building. Walks toward the parking lot.

The feed appears on -- CLINT'S COMPUTER SCREEN.

CLINT'S OFFICE -- Clint studies the feed. Shakes his head. Looks down at his desk and a --

FOLDER -- filled with the Mendoza docs from Mexico City --

Coroner's report. Mendoza's ID. Fingerprints. Dental record. Corpse photographs. Scarred right shoulder.

Clint tidies all the docs and images. Closes the folder with MENDOZA, PAULO on the tab. Squares it to his blotter.

Sits -- stares upward at two misaligned ceiling tiles.

Clint grabs his cane. Lurches out of his chair.

EXT. CIA HEADQUARTERS - PARKING LOT - NIGHT

Nick leans against his motorcycle, helmet on the tank -- Olivia approaches.

NICK
You okay? Hungry?

Olivia shrugs.

NICK
Me too. One thing first?

Nick mounts the motorcycle. Thumbs behind him.

OLIVIA
I don't have a helmet.

NICK
Guess you'll have to trust me not to drive us into a ditch. Listo?

EXT. GEORGE WASHINGTON MEMORIAL PARKWAY - NIGHT

The motorcycle RUMBLES down the parkway.

Olivia sits behind Nick with no helmet. Clutches Nick with both arms, her bag between them. Long hair whipping in the night wind.

INT. MANASSAS MORGUE - COLD ROOM - NIGHT

Clint stands next to Mendoza's naked corpse in the open drawer. Leans against his cane.

The Night Manager stands across from him.

CLINT
Leave.

The Night Manager nods. Leaves the cold room.

Clint inspects Mendoza's corpse, like an appraiser who suspects a forgery.

Toe. Knee. Penis. Finger. Neck. Shoulder. The scar.

Clint leans his cane against the drawer. Leans closer to the shoulder. Squints. Reaches down. Runs his finger over the --

SCAR -- it smudges.

Clint's cane falls and CLATTERS to the floor.

He glares at the corpse that is not Paulo Mendoza.

EXT. ARLINGTON NATIONAL CEMETERY - EAST GATE - NIGHT

Olivia dismounts the motorcycle. Then Nick.

She pulls her pistol out of her bag. Puts it in the motorcycle saddlebag. Shoulders her bag.

AT THE GATE -- a brick guard house to one side of a tall, black wrought-iron gate.

An ARMED GUARD stands near the gate. Another GUARD checks Nick's NIGHT PASS. Checks Olivia's bag. All clear.

Nick and Olivia walk through the gate into the cemetery.

INT. GREY BMW I4 - NIGHT

Parked. Clint in the driver's seat. Checks his phone.

FLASH -- CIA parking lot. A man crouches, puts a tracking device under the frame of Nick's motorcycle.

Clint peers at his PHONE -- a red dot appears on a map.

Clint taps the phone. Waits.

CLINT
Arlington. Now.

MANASSAS MORGUE PARKING LOT-- the BMW peels away from the lot toward I-66 and Arlington.

EXT. ARLINGTON NATIONAL CEMETERY - SECTION 31 - NIGHT

Lit walking paths. Countless rows of white headstones ribbon through pools of light. Still. QUIET.

Olivia and Nick walk along the path in solemn silence.

NICK
Down here.

They walk between two rows of headstones. Stop at a --

HEADSTONE -- etched with DANIEL MICHAEL BRANDT, his dates of birth/death, and the words LCPL US MARINE CORPS.

OLIVIA
So...grandma's brother.

NICK
Yup. Miriam's little brother, Danny. Came back from the first Gulf War. Never really came back.

Nick salutes the headstone.

NICK
I'll have a shot for you at dinner, brother. I'll drink yours.

Olivia glances to the right. Thirty feet away --

-- a family: a MAN, a GIRL (12) and a BOY (10). The man places a small bouquet of flowers on top of a headstone.

EXT. ARLINGTON NATIONAL CEMETERY - EAST GATE - NIGHT

Clint limps from his grey BMW i4 toward the Guards at the gate, followed by THREE ARMED AGENTS. Clint produces a badge.

CLINT
Clint Walker, CIA Director. You have armed fugitives on-site. My people have it. Stay at your post.

The Armed Guard hesitates, then steps back -- the three Armed Agents follow Clint past the guard house, through the gate into the cemetery.

INSIDE THE GATE -- Clint limps urgently down the walkway.

AGENT ONE
Sir.

Clint stops and spins -- the three Armed Agents stand frozen, behind an invisible line that Clint has crossed.

Clint SNORTS. Approaches Agent One, who extends his pistol.

Clint grabs it -- turns and hobbles away down the walkway.

DANNY'S HEADSTONE -- Nick stands, his hand on the headstone.

POP -- a bullet chips the top of a nearby headstone.

Nick and Olivia duck -- the family nearby ducks -- Olivia peers around a headstone. Hands her bag to Nick.

OLIVIA
Wait here.

NICK
Livvy...

Olivia, in a crouched run, weaves through the headstones. Reaches the family who are crouched behind two headstones.

The boy holds the man's arm. The girl kneels and WHIMPERS.

OLIVIA
Wait until the man with the gun passes. Then run as fast as you can back to the gate. Got it?

The man nods frantically. Olivia turns and darts away.

Olivia makes her way behind a row of headstones and --

POP -- a bullet CHIPS a headstone near her shoulder. She flinches. Keeps running.

Olivia reaches Nick. Pulls him away from Danny's headstone.

In the distance, Clint limps, slow but steady, down the pathway. Points the gun in their direction.

Clint limps past the family. They run.

EAST GATE -- the family runs past the Armed Agents toward the gate.

ARMED GUARD
You okay folks? See the shooters?

MAN
Yeah. Old guy with a gun.

AGENT ONE
No. He's the one going after them.

GIRL
A nice lady told us to wait until the man with the gun passed, and we did, and then ran back here.

The Armed Guard ushers the family out of the cemetery.

INSIDE THE GATE -- Agent One watches the other two agents remove their holstered pistols -- hand them to the Guard in the guard house.

Agents One, Two and Three bolt down the walkway. Split up.

CEMETERY SECTION 58 - an open field. Trees. No headstones.

Olivia and Nick run toward the corner of the dark, open section. Take cover in a small grove of trees.

Nick is winded -- Olivia looks behind them -- no Clint.

OLIVIA
You okay?

NICK
I'm...fine...Where are we going? Can you ask...your boyfriend?

OLIVIA
Nick. Lyle's gay. He's more likely to be *your* boyfriend than mine.

NICK
Does he cook? That's important.

Olivia reaches into her bag, past the comm device for her --

PHONE -- taps on the screen. Listens.

OLIVIA
Harold. Agent assistance needed at Arlington. I...I don't want to be two lines in an email. Harold. I need your help...

POP -- a bullet RIPS through the tree limbs next to them.

Olivia grabs Nick's arm. They bolt across the open field toward some low, monolithic forms in the distance.

EXT. ARLINGTON NATIONAL CEMETERY - COLUMBARIUM - NIGHT

A collection of above-ground, marble burial vaults.

Nick and Olivia full-sprint through the Columbarium's central plaza. Half-way across --

-- Nick stumbles. Drops Olivia's bag on the ground. Bends to pick it up and freezes. His hand shoots up to his back.

NICK
Dammit.

Olivia returns to him. Picks up her bag.

OLIVIA
Up, Agent Ward. I'm not burying you here.

She grabs his shoulder. They continue across the plaza.

They duck behind a low, central wall of vaults -- Nick collapses, leans against the vault. Hand on his lower back.

Olivia crouches. Listens. FOOTSTEPS ECHO to the left of them. She looks to the right. Listens. The sound is bouncing.

She pushes her bag back into Nick's arms. Motions 'stay'.

She moves right. Crouch-runs along the low wall of vaults.

At the corner, Olivia pauses. Breathes. Emerges to confront --

Agent One -- startled -- handsome. He grins -- she grins.

AGENT ONE
Hi.

OLIVIA
Hi. I'm really sorry.

Olivia rushes and jump-kicks Agent One in the chest. He flies backward onto the ground with a THUD.

She runs toward him -- he swings his leg wide and hard. Knocks her to the ground.

Nick peers out from the corner of the low wall of vaults.

Olivia rolls, regains her balance. Kicks his leg away from her -- he rolls onto his stomach, tries to crawl away.

She runs. Dives onto his back. Knocks the BREATH out of him -- she wraps her arm around his neck --

-- and rolls him over on top of her. Holds tight.

Agent One squirms and MOANS. She chokes him out. She leans her face close to his head and -- smells his hair.

Nick leans out from behind the corner.

NICK
You left the whole room.

Olivia pushes Agent One's limp body off her onto the ground.

OLIVIA
Yeah. Somebody taught me that.

Nick smiles -- Olivia stands and joins Nick behind the corner of the low wall of vaults. Exhausted.

NICK
What now?

Olivia takes her bag from Nick. Shoulders it.

OLIVIA
We need to keep moving. Even with his limp, Clint's got a gun.

NICK
(finger gun)
Pop pop.

CEMETERY SECTION 58 -- Clint limps toward a small grove of trees. Winded. Struggling.

He looks at the sea of headstones to the right -- the distant outline of the Columbarium to the left.

Pistol in hand, he hobbles off toward the --

COLUMBARIUM -- Olivia holds Nick's arm. They make their way toward the West exit of the Columbarium -- Olivia stares into the darkness.

FLASH -- Zihuatanejo. Sofia hands Olivia her comm device.

OLIVIA
Wait.

Olivia pulls Nick to the corner of the nearest vault and eases him down to the ground. She crouches next to him --

reaches deep into her bag, pulls out -- the COMM DEVICE.

NICK
What's that?

Olivia holds the device like it's a rare artifact. Pushes a button on the side. It powers ON.

COMM DEVICE SCREEN -- CALL and SPEAKER buttons.

Olivia pushes both -- the phone RINGS. RINGS. RINGS -- then, a CLICK -- and a pause --

CLINT (O.S.)
This is a dead woman's phone.

OLIVIA
You would know. Sir.

CLINT (O.S.)
Olivia. I had such high hopes for you. Turns out you're an even bigger traitor than Mendoza.

Nick bristles -- Olivia peers down at the device.

OLIVIA
Is all this worth more innocent people dying, Director?

CLINT (O.S.)
You think you're innocent, Olivia?

Olivia pauses. Four names and a drop of blood on a little girl's finger. There's only one honest reply.

OLIVIA
No.

Olivia glances at Nick -- he doesn't look away.

OLIVIA
Give me a reason and maybe I put this phone down. You put your gun down, and we talk.

CLINT (O.S.)
A reason? I made a decision decades ago. Rotterdam. Atlanta. Berlin. Positano. That's what it cost to keep it clean. I'd say you'll understand that someday, but... there's not a tomorrow for you.

Olivia and Nick realize at the same time what they just heard. A confession.

Nick thinks. Reaches into his pocket. Pulls out his --

BLACKBERRY -- he thumbs the voice recorder. A red light comes ON -- he holds it up close to the comm device.

OLIVIA
And you wanted to gun down an innocent man for telling the truth? That doesn't sound clean to me.

CLINT (O.S.)
I don't care what it sounds like to you...Livvy.

Nick and Olivia share a glance -- Olivia's mind spins --

OLIVIA
What it sounds like to me, Clint...

Nick looks wide-eyed at Olivia.

OLIVIA
It sounds like James Coleman found a lackey who would do his bidding. Then, when he died, that errand boy's ego made him think he was half the man Coleman or Mendoza were. Sounds like you got to where you are 'cause you got lucky.

CLINT (O.S.)
Lucky? Coleman was *mine*. *My* asset. *My* lackey. The kills, the accounts, the directives. All of it was me. And when Coleman died, I buried it. And spent eleven years making sure that the one man who could dig it up stayed a fugitive. Or a corpse.

Nick mouths to Olivia: 'get him to say Mendoza'.

CLINT (O.S.)
Those are the only two things Mendoza is allowed to be.

Nick's hand-motion changes to a thumbs-up. He turns the voice recorder off. Puts the BlackBerry in his pocket.

Olivia moves to turn off the comm device, but --

CLINT (O.S.)
While I have you. Did he tell you the truth, Olivia? Did Pop Pop tell you that *he* asked for you by name?

Olivia stares at Nick -- he waits for her reaction.

Olivia hauls Nick to his feet. They run away from the --

COLUMBARIUM VAULTS - NEARBY

Clint holds his comm device in one hand, raised pistol in the other. Limps toward a low bank of vaults. Searching.

CLINT
Did he? Olivia? Did he tell you?

Clint's VOICE starts to ECHO. Odd. Unsettling. He approaches the corner of a vault. Looks down at --

Sofia's COMM DEVICE -- on the ground in the dirt.

CLINT
Olivia!

EXT. ARLINGTON NATIONAL CEMETERY - SECTION 60 - NIGHT

Olivia guides Nick through a sea of white headstones, in and out of glowing pools of dim light.

Agent Two flanks them from the side.

AGENT TWO
Stop. You're fugitives.

Olivia assumes a fighting stance -- Nick leans against a headstone, one hand on his back.

NICK
Son, I've been doing this job for thirty years. Whatever Clint Walker told you we did, ask yourself why there's no order. Why he's desecrating headstones of fallen soldiers. Agents like my grand-daughter and me don't get retired unless somebody's cleaning house. And from where I'm standing, you're holding the broom, son.

Agent Two stands frozen, unsure what to do or say.

NICK
So, you got two doors. Agent Olivia Vaughn can put you on the ground in a world of pain. Or you can take my wise advice...and stand down.

Agent Two considers the offer, and -- POP -- a bullet WHIZZES past his head. He ducks behind the nearest headstone.

Olivia rushes to Nick. Pulls him away from the headstone.

CEMETERY - SECTION 12

Clint limps forward, pistol up. Trips on a vase next to a headstone. Breaks it. Tramples on the flowers.

He gets up. Kicks the broken vase. Resumes struggling forward across the open field toward --

CEMETERY - SECTION 11 -- Olivia helps Nick past rows of headstones. Nick is winded and losing steam.

NICK
Where we going?

OLIVIA
The Tomb. It's uphill. Lit. Public.

Olivia and Nick approach a --

CANOPY -- over an open grave. Folding chairs. Mound of earth under a tarp. Casket-lowering frame over the hole.

Agent Three steps out from behind the mound. Big. Unarmed.

AGENT THREE
Ma'am. I need you both to have a seat and wait for the Director.

NICK
Son, I've been doing this job for thirty years...

Olivia cuts Nick's speech short. Rushes Agent Three. Throws two fast and hard punches to his side.

Agent Three throws a heavy right hook -- Olivia ducks under it and jams her palm up into his sternum. He staggers backwards, near the open grave and swings again.

She eats it, spins, hooks her foot around his ankle. Pulls --

Agent Three windmills backward, trips over the casket-lowering frame and -- drops into the open grave with a THUD.

Nick and Olivia lean over, peer down into the hole at --

-- Agent Three on his back. He GROANS, writhes. Looks upward.

NICK
We'll send someone to get you.

AGENT THREE
Director! They're over here!

Olivia grabs Nick's arm and pulls him away from the canopy.

CEMETERY - SECTION 6 -- Olivia and Nick wind their way through rows of headstones and a grove of mature oak trees.

Far behind them, Clint hobbles forward. Raises his gun and --

POP -- Nick jerks and goes down on the ground between two headstones. He GROANS.

Olivia crouches down next to him to see --

NICK'S LEG -- pants torn. Blood. A gunshot wound.

OLIVIA
Son of a bitch!

Olivia pulls Nick to his feet. She runs, he limps toward --

THE TOMB OF THE UNKNOWN SOLDIER - NIGHT

Across a narrow plaza, at the top of a set of stairs -- the white, marble Tomb is bathed in a dim pool of light.

Olivia and Nick stumble across Roosevelt Drive and across the plaza -- they make it to the bottom of the stairs.

POP -- a bullet WHIZZES by Olivia's head and CHIPS one of the marble stairs in front of them.

Olivia pulls Nick up the stairs.

NICK
Great. My *Rocky* moment and I'm getting shot at.

Olivia and Nick reach the top, the Tomb, and the --

SENTINEL -- an armed, uniformed soldier walking his historic path, back and forth across a black mat.

Olivia and Nick move down the side of the Tomb. Take cover behind it -- the Sentinel doesn't acknowledge their presence.

Clint struggles to the top of the steps at the front of the Tomb. Raises his pistol.

CLINT
Come out. Both of you. Now.

Nick slumps to the ground behind the tomb. Olivia peers around the edge at -- Clint, pistol raised.

OLIVIA
You don't want to do this here.

CLINT
Here is nothing. Grass. White rock.
Men who did what they were told.

POP -- Clint fires -- a marble chunk of the Tomb near Olivia's head flies off. The --

MARBLE CHUNK -- tumbles onto the ground and skids onto the black mat in the path of the Sentinel. He stops.

A white-gloved hand picks up the marble chunk -- breaking a century of tradition, the Sentinel walks off the mat.

Halfway between Olivia and Clint, the Sentinel stops.

SENTINEL
Not here.

CLINT
Son, I'm the Director of the...

SENTINEL
I don't care who you are. And I
would be ashamed to be your son.

The Sentinel marches toward Clint, stops in front of him -- Clint raises his pistol.

CLINT
Move.

SENTINEL
Negative.

Agent One and Agent Two run up the steps -- Clint eyes them.

CLINT
The fugitives are behind the Tomb.
Take them into custody.

The Agents see -- the CIA Director aiming a weapon at the head of the Tomb's Sentinel -- and are frozen in place.

Behind the Tomb, Nick sits on the ground leaning up against it. Reaches in his pocket. Takes out his BlackBerry.

Extends it to Olivia -- she takes it. Reaches into her bag. Grabs her PHONE -- calls Harold -- pockets her phone.

Olivia leans out from behind the Tomb. Pushes a button. Holds up the BlackBerry.

NICK (O.S.)
(BlackBerry voice memo)
You wouldn't believe it, Miriam. Our Livvy. All grown up. A kick-ass CIA agent. Great shooter. Just like her Pop Pop. You'd be so proud.

Olivia turns back. Looks down at Nick. The message is everything, to both of them.

NICK
Push it again. Next message.

Olivia leans out again. Pushes the button. The SOUND from the SMALL SPEAKER ECHOES through the serene plaza.

CLINT (O.S.)
(BlackBerry voice memo)
Coleman was mine. My asset. The kills, the accounts, the directives. All of it. I...

Clint listens to his recorded words -- the Agents listen.

CLINT (O.S.)
...a fugitive. Or a corpse. Those are the only two things Mendoza is allowed to be.

Olivia lowers the BlackBerry. Nick scrambles to his feet. Replaces Olivia at the back corner of the Tomb. Peers out.

NICK
Paulo Mendoza had my back for thirty years. He wasn't a traitor. He was a good partner. Shame you never had one.

CLINT
Sentiment. All noise.

Nick stares at Clint. Exhausted, he slides down to the ground behind the Tomb. Turns and -- Olivia is gone.

NICK
Livvy?

Olivia moves along the side of the Tomb out of Clint's view.

Clint eyes Olivia at the front corner of the Tomb -- the Sentinel rushes Clint. Knocks the --

PISTOL -- it flies out of his hand. CLATTERS to the ground.

Olivia rushes forward. Picks up the pistol and points it at Clint -- the Sentinel holds his ground next to Clint.

Clint pulls out a --

KNIFE from under his jacket.

Clint rushes the Sentinel. Maneuvers him into a headlock, the knife at his throat. Spins the Sentinel around, putting the Sentinel between himself and Olivia.

Clint peers out from behind the stoic-faced Sentinel.

PLAZA -- a police car with flashing lights appears at the end of the plaza on Roosevelt Drive.

TOMB -- Clint shoves the Sentinel toward Olivia -- the blade draws a thin red line across the Sentinel's throat.

Clint bolts with a flailing hobble down the side of the Tomb.

Olivia circles the Tomb. Pistol aimed. Rushes in just as --

Nick emerges from behind the Tomb, knife at his neck --

Clint holds the knife.

Olivia steps back away from them. Pistol pointed at Clint.

CLINT
The BlackBerry. Or Pop Pop stays here.

Olivia looks at Nick's bleeding leg -- Nick looks stoic.

Olivia decides. Takes the BlackBerry out of her pocket. Throws it -- Clint catches it. Drops it. Steps on it with a PLASTIC CRACK.

Nick and Olivia share a glance -- Clint grins.

FLOODLIGHTS SLAM ON -- the Tomb is bathed in white light.

Harold bolts up the stairs toward the Tomb. Pistol drawn. Flanked by two police officers.

HAROLD
Clint.

CLINT
Harold. Vaughn and Ward aided a fugitive. Faked a kill. Defrauded the Agency. I'm bringing them in so they can be held accountable for their actions. That's all this is.

HAROLD
I don't think that's all this is.

Clint leans out from behind Nick.

CLINT
Prove it.

Harold holds up his phone -- Olivia aims the pistol at Clint. With her free hand, she reaches, pulls out her --

PHONE -- showing a live call to HAROLD. She hangs up.

HAROLD
Clint Walker. Put down the knife.

CLINT
You don't give me orders, Harold. You don't have the stomach for the consequences.

NICK
Harry. Clint shot me in the leg. When we're done here, I could use an ambulance.

Olivia aims at --

Clint. His hand holds the knife blade against Nick's neck.

Olivia and Nick lock eyes.

The smallest tilt of her head -- right.

Nick gets it. Winces. Lets his shot leg buckle -- sags right.

Clint twists to the right to keep Nick standing -- the KNIFE and Clint's hand drift from Nick's neck. One inch. Two.

DOWN THE BARREL -- Clint's hand. The blade. Nick's neck.

Olivia exhales. Waits --

Waits -- Clint's hand settles between the front sight and rear notch --

POP -- blood bursts from Clint's hand. He SCREAMS.

The knife RINGS off the marble and skitters away.

Nick shoves himself free -- Clint staggers backward. Clutches his hand.

The police officers rush Clint. Tackle him to the ground.

Clint is handcuffed -- a police officer stands him up.

Olivia rushes to Nick. Puts his arm around her neck.

Clint, turns toward Nick and Olivia.

CLINT
You'll understand someday, agent. The institution survives because...

Olivia holds up her hand in a 'stop' gesture.

OLIVIA
Two lines in an email. Sir.

Nick eyes -- an ambulance arrive at the end of the plaza.

NICK
Dibs on the ambulance.

The police officers lead Clint away down the steps. The Guards and Agents follow them -- Harold approaches Olivia.

HAROLD
Mendoza's dead. Door shut. Case closed. The review board's still going to come for you.

OLIVIA
Let them come. I won't be here. Tell them I'm finally taking my leave.

NICK
Good seeing you, Harry. Tell your father I say hello.

Olivia helps Nick down the steps. They pause half-way down.

NICK
Good shooting.

OLIVIA
You knew I was CIA. For years?

NICK
Yeah.

OLIVIA
You could've called.

NICK
Didn't have a number.

Olivia gives him a look. He shrugs.

OLIVIA
Mendoza. You asked for me?

NICK
Yup. I had a hunch.

OLIVIA
About Mendoza?

NICK
About you.

The police officer helps Nick down the stairs to the ambulance -- Olivia takes out her --

PHONE -- taps a message to DAD: 'Dinner. My place. Sunday. You and Mom.' -- her finger taps SEND.

AMBULANCE -- Medics help Nick into the ambulance.

POLICE CAR -- officers push Clint into the back seat.

Near the ambulance, Olivia comes face to face with Agent One.

OLIVIA
(points toward Nick)
Hi. My grandfather...

AGENT ONE
(points toward the Agents)
Hi. Sure. Okay.

Agent One walks away -- Olivia smiles. Far behind her --

THE TOMB OF THE UNKNOWN SOLDIER -- the FLOODLIGHTS turn OFF.

Next to the Tomb, a police officer attempts to usher the Sentinel to medical aid. He refuses -- the thin red cut across his throat, his face stoic with resolve.

The Sentinel returns to his solemn walk. Cradles the --

MARBLE CHUNK -- of the Tomb in his white-gloved hand.

FADE TO BLACK.

EXT. OLIVIA'S HOUSE - VIENNA, VIRGINIA - NIGHT

Olivia's Prius in the driveway. Nick's motorcycle at the curb. A few other cars parked out front.

Through the front window -- color, movement, people.

TITLE: SUNDAY

INSIDE THE HOUSE - KITCHEN

The counter is covered with ingredients, appliances and utensils. A large pot sits steaming on the stove.

Nick wears a clean Hawaiian print shirt. One hand palms a cane while the other points at the pot.

Next to him, Olivia looks fresh and clean. Cuts fresh tomatillos on a cutting board.

She gently touches his shoulder. They both talk and LAUGH.

In the kitchen doorway --

JACK (53) watches his father and daughter laugh beside the steaming pot. The past wasn't invited inside tonight.

MARY (57), Olivia's mother, stands next to Jack with a half-full plate of food -- Jack's hand finds hers.

DINING ROOM -- the table is covered with an impressive spread of Mexican food. Tamales. Gorditas. Tortas. Enchiladas.

Nick enters. Piles food on his plate. Extra hot salsa.

LIVING ROOM -- colorful new throw pillows in a muted room.

Ella, Olivia's neighbor, sits by the living room window. People LAUGH. She closes her eyes to hear it better.

Olivia crosses to Ella, refills her cup of horchata and squeezes her shoulder. They share a smile.

AARON (36), a jovial man holds a glass of wine for --

Lyle, who wears green, white and red, like he got the memo. Lyle talks. Aaron listens. A perfect match.

KITCHEN - A FEW MINUTES LATER -- Lyle approaches Olivia. His 'Anything?' gesture is met with her head shake 'No'.

LYLE
I swear to god. If cemetery guy doesn't message you back, I'm going to destroy his credit rating.

OLIVIA
He'll message. I know it. Aaron seems nice. When's the wedding?

LYLE
Ask me after he's met my mother.

KITCHEN - A FEW MINUTES LATER

Behind some trays of food and utensils on the counter is --

OLIVIA'S CIA BADGE -- name, photo, laminated on a lanyard.

She stares at it. Opens a kitchen drawer. Throws it in. Closes it. Picks up a platter of tamales and heads back out into the living room.

DINING ROOM -- TEN MINUTES LATER

Nick stands next to the dining room table, four shots of tequila lined up in front of him -- everyone gathers around.

NICK
To Danny. To Sofia. To Miriam.

He takes a shot after each name -- others follow his lead, sip from the cups in their hands.

NICK
To Mendoza.

Nick takes the shot. Winks at Olivia -- she winks back, awkwardly, with both eyes.

CUT TO:

EXT. ZIHUATANEJO - MENDOZA'S HOUSE - DAY

INSIDE -- a modest dining room. Plates and food on the table.

Mendoza sits next to Nadia. LILY (7), runs into the room and sits on his other side. Takes a large bite of enchilada.

Mendoza beams, flanked by his two favorite girls.

CUT TO:

INT. OLIVIA'S HOUSE - FOYER - LATER

Nick pulls open the front door. Olivia hugs her mother -- Jack shakes Nick's hand. Jack salutes him, then --

Olivia gently puts her arms around Jack. It's everything to him. They separate.

JACK
That crack in your driveway needs fixing.

OLIVIA
I know. I have the liquid filler in the garage. Help me do it?

Jack nods. Grins. Looks forward to it -- Jack and Mary walk out the front door and down the front steps.

EXT. OLIVIA'S HOUSE - FRONT STEPS - LATER

Olivia and Nick sit on the steps. His cane rests against the railing. Everyone else is gone.

Nick pulls the pink axolotl plush toy out of a plastic bag and hands it to Olivia.

OLIVIA
What am I, twelve?

NICK
His name's 'Hunch'. He likes hugs and horchata.

Olivia playfully holds the toy out in front of her.

OLIVIA
Where did you get this?

NICK
Lucha libre. Mexico City.

OLIVIA
How come I didn't see you buy it?

NICK
You were drunk on mangonadas.

OLIVIA
Oh, right.

Olivia hugs the plush toy. Looks out at the QUIET street. No mission. No earbud. Nowhere to be.

OLIVIA
Four hundred hours of leave.

NICK
Spend ‘em on something good.

Her eyes land on Nick’s motorcycle parked at the curb.

OLIVIA
You should come up more. It’s a long way from Myrtle Beach, but...

NICK
Got a motorcycle and nothing but time. Or you come down. I’ll take you where all the good food is.

OLIVIA
Tamales or gorditas?

NICK
Both. Extra hot sauce.

Olivia gives him a light tap on the shoulder.

NICK
Need some help cleaning up, Agent Vaughn?

OLIVIA
That’s Livvy to you. Pop Pop.

Nick throws his arm over Olivia’s shoulders.

NICK
There she is.

IN THE DINING ROOM - A FEW MINUTES LATER

In the background, Nick helps Olivia clean up.

A vase filled with roses and other colorful flowers sits on a hutch on one side of the dining room.

On one side of the vase is the pink axolotl, Hunch, grinning ear to ear --

On the other side is Nick’s *Zen and the Art of Motorcycle Maintenance* paperback --

-- and his bookmark, the photo of young Nick and Miriam.

FADE TO BLACK.

END CREDITS

EXT. ARLINGTON NATIONAL CEMETERY - MORNING

Agent Three sleeps and SNORES at the bottom of the empty grave hole.

Agents One and Two appear above looking down.

AGENT ONE
Hey.

AGENT TWO
Hey! Wake up!

Agent Three stirs, opens his eyes.

AGENT THREE
Did they catch the fugitives?

AGENT TWO
Kind of.

AGENT ONE
One of them was cute. Don't know how she found my number, but she messaged me. Think I'm gonna ask her out.

AGENT TWO
Owen. She found your number because she works for the Central Intelligence Agency.

OWEN
Oh right. I just feel like there's some chemistry there. She had her arms around me.

AGENT TWO
She choked you out.

OWEN
Well, yeah, but...still.

AGENT THREE
Guys. Rope? Ladder? Little help...

CUT TO BLACK.
